## TRADEMARK RELEASE

THIS TRADEMARK RELEASE (this “Release”) is given as of this 23<sup>rd</sup> day of August, 2011 by JPMORGAN CHASE BANK, N.A. (f/k/a The Chase Manhattan Bank) (the “Assignor”) to ISP CAPITAL, INC., and ISP CHEMICAL PRODUCTS, INC., (the “Assignees”). Capitalized terms used herein not otherwise defined herein shall have the meanings ascribed thereto in the Pledge and Security Agreement, dated as of June 27, 2001 (the “Original Security Agreement”, and, as amended by Amendment No. 1, dated as of April 2, 2007, Amendment No. 2, dated as of February 16, 2006, and Amendment No. 3, dated as of June 4, 2007, the “Security Agreement”) among ISP Chemco Inc. as the Lead Borrower, certain additional Borrowers and Subsidiary Guarantors party thereto, and Assignor as Administrative Agent.

### WITNESSETH

WHEREAS, Assignor and Assignees entered into the Original Security Agreement, which was recorded in the United States Patent and Trademark Office on July 23, 2001 at Reel/Frame 002433/0349, on August 20, 2001 at Reel/Frame 002349/0574, and on April 8, 2002 at Reel/Frame 002476/0042, pursuant to which Assignees granted to Assignor a security interest in the Trademark Collateral (as defined in the Security Agreement, the “Trademark Collateral”), including, without limitation, the trademarks identified in Exhibit A to this Release, as collateral security for the payment in full when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations;

WHEREAS, Assignor and Assignees entered into the Amendment No. 1, Amendment No. 2, and Amendment No. 3 to the Original Security Agreement, which amended and restated the Assignees’ grant to Assignor of the security interests in the Trademark Collateral, including, without limitation, the trademarks identified in Exhibit B of this Release (together with the trademarks identified in Exhibit A, the “Released Trademarks”), as collateral security for the payment in full when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations; and

WHEREAS, pursuant and subject to that certain Third Amended and Restated Credit Agreement, dated as of June 4, 2007, Assignor has agreed to release its existing security interests in the Trademark Collateral.

NOW, THEREFORE, subject to the provisions of this Release, in connection with the payment in full of the Secured Obligations and the cancellation or termination of the other contingent obligations included in the Secured Obligations, Assignor hereby unconditionally, irrevocably and absolutely releases, terminates, extinguishes and forever discharges its security interest in any and all of the Trademark Collateral owned by Assignees, including, without limitation, the Released Trademarks, and reassigns any and all interest Assignor may have in such of the Trademark Collateral to Assignees. This Release shall be binding upon Assignor’s assigns and successors. The parties hereto authorize and request the Director of Patents and Trademarks of the United States of America to record this Release against the Trademark Collateral. Assignor agrees to make filings with the United States Patent and Trademark Office and other necessary filings, in each case as reasonably requested by the

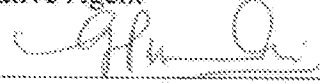

Assignees and at the expense of the Assignees, to evidence the release and termination of the Assignor's security interest in the Trademark Collateral.

*[Signature page follows]*

IN WITNESS WHEREOF, Assignor has executed this Release as of the date first set forth above.

JPMORGAN CHASE BANK, N.A.  
(f/k/a The Chase Manhattan Bank)  
as Administrative Agent
