## FIRST LIEN TRADEMARK SECURITY AGREEMENT

FIRST LIEN TRADEMARK SECURITY AGREEMENT, dated as of October 4, 2011 (this "Agreement"), among BLACKBOARD INC., a Delaware corporation, BLACKBOARD CONNECT INC., a North Carolina corporation, ANGEL LEARNING, INC. an Indiana corporation, BLACKBOARD COLLABORATE INC., a Delaware corporation, EDLINE HOLDINGS, INC., a Delaware corporation, EDLINE LLC, a Delaware limited liability company, and TEACHERWEB, INC. a Delaware corporation (individually, a "Grantor", and collectively, the "Grantors") and BANK OF AMERICA, N.A., as Collateral Agent (the "Collateral Agent") for the Secured Parties.

Reference is made to the First Lien Guarantee and Collateral Agreement dated as of October 4, 2011 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement"), among Bulldog Acquisition Sub, Inc. (to be merged with and into Blackboard Inc.) (the "Borrower"), the subsidiaries of the Borrower from time to time party thereto and the Collateral Agent. The Lenders have extended credit to the Borrower subject to the terms and conditions set forth in the First Lien Credit Agreement dated as of October 4, 2011 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"). Consistent with the requirements of the Credit Agreement and pursuant to and in accordance with Section 3.02(b) of the Security Agreement, the parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.02 of the Credit Agreement also apply to this Agreement.

SECTION 2. *Grant of Security Interest.* As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Security Agreement, hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a continuing security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor and wherever located or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral");

- (a) each Trademark, including, without limitation, each registered and applied for Trademark and all goodwill associated with or symbolized by each Trademark listed on Schedule I or II;

(b) all assets, rights and interests that uniquely reflect or embody each Trademark; and

(c) all proceeds of and revenues from the foregoing, including, without limitation, all proceeds of and revenues from any claim by such Grantor against third parties for past, present or future unfair competition with, or violation of intellectual property rights in connection with or injury to, or infringement or dilution of, any Trademark owned by such Grantor (including, without limitation, any Trademark identified in Schedule I or II hereto).

Notwithstanding the foregoing, the Trademark Collateral shall not extend to, and the term "Trademark Collateral" (and any component definition thereof) shall not include, any Excluded Property.

SECTION 3. *Security Agreement.* The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

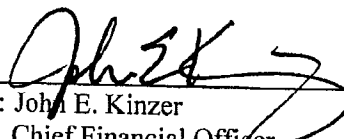

SECTION 4. *Counterparts.* This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission (including ".pdf" or ".tif" format) shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 5. *Governing Law.* This Agreement shall be construed in accordance with and governed by the laws of the State of New York (without giving effect to the conflict of laws principles thereof).
