## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into as of April 15, 2011, by and between RWD Technologies, LLC, a Delaware corporation (the "Assignor"), and General Physics Corporation, a Delaware corporation (the "Assignee").

WHEREAS, the Assignor and the Assignee are parties to that certain Asset Purchase Agreement dated as of March 8, 2011, as amended by that certain Amendment No. 1 to Asset Purchase Agreement dated as of April 15, 2011 (together, the "Asset Purchase Agreement");

WHEREAS, this Assignment is contemplated pursuant to the terms of the Asset Purchase Agreement;

WHEREAS, Assignor is the owner of the entire right, title, interest, benefits, privileges and goodwill in and to trademark-related intellectual property and goodwill of the business connected with the use of the trademark-related intellectual property that constitutes a portion of the Acquired Assets (as identified in Schedule 5.08(a) of the Asset Purchase Agreement), which intellectual property is listed in Exhibit A annexed hereto (the "Trademark-Related Intellectual Property");

WHEREAS, pursuant to the Asset Purchase Agreement, Assignor wishes to assign to Assignee Assignor's entire right, title, interest, benefits, privileges and goodwill in and to the Trademark-Related Intellectual Property; and

WHEREAS, Assignee is desirous of acquiring Assignor's entire, right, title, interest, benefits and privileges and goodwill in and to the Trademark-Related Intellectual Property.

NOW, THEREFORE, for and in consideration of the premises of the mutual covenants contained herein, and in consideration of the sum of One Dollar (\$1.00) or the equivalent thereof, and other good and valuable consideration, the receipt, adequacy and legal sufficiency of which is hereby acknowledged, the Assignor and Assignee do hereby agree as follows:

1. Capitalized Terms. Capitalized terms used but not defined herein shall have the meanings set forth in the Asset Purchase Agreement.
2. Assignment. Effective as of 12:00 a.m. (Eastern Standard Time) on April 16, 2011 (the "Effective Time"), Assignor hereby sells, assigns, transfers and sets over to Assignee, its successors, assigns and legal representatives, Assignor's entire right, title, interest, benefits, privileges and goodwill associated with and symbolized by the Trademark-Related Intellectual Property and goodwill of the business associated with the Trademark-Related Intellectual Property, including, but not limited to, the associated United States and foreign federal and state registered and common law trademarks, service marks and trade dress, registrations for trademarks, service marks and trade dress and applications for trademarks, service marks and trade dress, including international and regional applications, including, without limitation, the right to renew any registrations, the right to apply for trademark, service mark or trade dress

registrations within or outside the United States based in whole or in part upon the trademarks, service marks and trade dress, and any priority right that may arise from the trademarks, service marks and trade dress.

3. Terms of the Asset Purchase Agreement. The terms of the Asset Purchase Agreement that are applicable to the Trademark-Related Intellectual Property are incorporated herein by this reference. Assignor acknowledges and agrees that the representations, warranties, covenants, agreements and indemnities contained in the Asset Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Asset Purchase Agreement and the terms hereof, the terms of the Asset Purchase Agreement shall govern.

4. Further Actions. At Assignee's expense, Assignor hereby covenants and agrees to execute and deliver, at the reasonable request of the other party hereto, such further instruments of transfer and assignment and to take such other action as such Assignee may reasonably request to more effectively consummate the assignments contemplated by this Assignment. Assignor hereby binds its legal representatives, agents, officers, parent corporations, subsidiary corporations, as well as Assignor, to do, upon Assignee's reasonable request and at Assignee's expense, but without additional consideration to Assignor or said legal representatives, agents, officers, parent corporations, subsidiary corporations, all acts reasonably serving to assure that the Trademark-Related Intellectual Property shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by Assignor if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful documents including petitions, specifications, oaths, assignments, disclaimers, and affidavits in form and substance as may be reasonably requested by Assignee to effectuate the assignments contemplated by this Assignment; and, with respect thereto, to communicate to Assignee all material facts known to Assignor relating to the Trademark-Related Intellectual Property or the history thereof.

5. Miscellaneous.

(a) Headings. The section headings used herein are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Assignment.

(b) Governing Law. This Assignment shall be governed by and construed in accordance with the domestic laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(d) Binding Effect; Third Party Beneficiaries. This Assignment shall be binding upon and shall inure to the benefit of the Assignee and its successors and, if applicable, permitted assigns. Assignor intends that this Assignment shall not benefit or create any right or cause of action in any Person other than the Assignor or Assignee.

(e) Counterparts. This Assignment may be executed in one or more counterparts, each of which shall constitute an original but when taken together shall constitute but one instrument.

(f) Amendments. This Assignment may be amended, modified or waived only by a written agreement signed by the Assignor and the Assignee. With regard to any power, remedy or right provided in this Assignment or otherwise available to the Assignor or Assignee, (i) no waiver or extension of time shall be effective unless expressly contained in a writing signed by the waiving party, (ii) no alteration, modification or impairment shall be implied by reason of any previous waiver, extension of time, delay or omission in exercise or other indulgence, and (iii) waiver by any party of the time for performance of any act or condition hereunder does not constitute a waiver of the act or condition itself.

[Signatures on the following page]

IN WITNESS WHEREOF, the party hereto has caused this Trademark Assignment to be duly executed on its behalf, on the day and year first above written.

ASSIGNOR:

RWD TECHNOLOGIES, LLC
