TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of October 28, 2011, among TRIPLE POINT TECHNOLOGY, INC., a Delaware corporation (the "Borrower"), the subsidiaries of the Borrower listed on Schedule I hereto and CREDIT SUISSE AG, as administrative agent and collateral agent (in such capacities, the "Administrative Agent").

Reference is made to the Guarantee and Collateral Agreement dated as of October 28, 2011 (as amended, restated, supplemented or otherwise modified from time to time, the "Guarantee and Collateral Agreement"), among Borrower, the Guarantors (as defined therein) from time to time party thereto (together with Borrower, collectively, the "Grantors") and Credit Suisse AG, as Administrative Agent. The Lenders (as defined below) have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement dated as of October 28, 2011 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Borrower, the guarantors party thereto, the lenders from time to time party thereto (the "Lenders") and Credit Suisse AG, as Administrative Agent. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Guarantors are affiliates of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Guarantee and Collateral Agreement. The rules of construction specified in Section 1.01 of the Guarantee and Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Guarantee and Collateral Agreement, did and hereby does grant to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"):

(a) all registered trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos and other source or business identifiers, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office (or any successor office) or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule II (the "Trademarks"); and

(b) all goodwill associated with or symbolized by the Trademarks.

Notwithstanding the foregoing, in no event shall the Trademark Collateral include, and no Grantor shall be deemed to have granted a security interest in, any Trademark if and for so long as the grant of such security interest shall constitute or result in the abandonment, invalidation, voiding or unenforceability of any right, title or interest of such Grantor therein (including any Trademark application filed on an intent to use basis until a statement of use is filed and accepted).

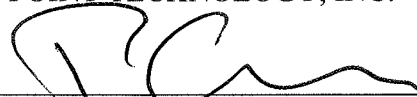

SECTION 3. Guarantee and Collateral Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Guarantee and Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Guarantee and Collateral Agreement, the terms of the Guarantee and Collateral Agreement shall govern.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
