ASSIGNMENT OF SECURITY INTEREST (TRADEMARKS)

Reference is made to that certain Trademark Security Agreements dated as of January 26, 2009, and June 8, 2010 (as amended from time to time, the "Security Agreements"), made by PERRIN MANUFACTURING COMPANY, a California corporation, now known as **DISPENSING DYNAMICS INTERNATIONAL** (the "Debtor"), in favor of **MFC CAPITAL FUNDING INC.** as agent (the "Existing Agent"), for the Lenders referred to therein (the "Secured Parties"); and

WHEREAS, an executed copy of the Security Agreements were recorded in the United States Patent and Trademark Office on February 12, 2009, or July 20, 2010, at the Reel and Frame numbers set forth on Schedule A attached hereto; and

WHEREAS, the Existing Agent has assigned its rights under the Security Agreements to **U.S. BANK NATIONAL ASSOCIATION**, as successor agent (the "New Agent"), under and pursuant to a Collateral Assignment Agreement dated as of December 12, 2011 among the Existing Agent, the New Agent and certain other entities (the "Collateral Assignment");

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, the Existing Agent and the New Agent hereby agree as follows:

1. The Existing Agent (a) assigns to the New Agent all of the Existing Agent's right, title and interest in and to any and all liens and security interests granted pursuant to the Security Agreements in the trademarks which are described more fully on Schedule A attached hereto (the "Trademark Collateral"); and (b) authorizes and requests the United States Patent and Trademark Office to note and record the existence of the assignment hereby given.

2. This Assignment of Security Interest (Trademarks) is referred to herein as this "Assignment" and is binding upon, and shall inure to the benefit of, the parties hereto and their respective successors and assigns. This Assignment is for the sole benefit of MFC and USB and their respective successors and assigns, and is not for the benefit, directly or indirectly, of any other Person.

3. This Assignment is executed and delivered pursuant to the Transfer Agreement (as such term is defined in the Collateral Assignment) and is subject to the terms of the Transfer Agreement and the Collateral Assignment which are incorporated herein by reference; without limiting the provisions of this Assignment, the Trademark Collateral, the Security Agreements or the other Transfer Documents (as such term is defined in the Transfer Agreement), no MFC Party makes any representation or warranty as to any matter relating to this Assignment or the Transfer Agreement and the assignment provided for by this Assignment shall be without representation or warranty and without recourse to any MFC Party.

4. Whenever in this Assignment there is reference made to any of the parties hereto, such reference shall be deemed to include, wherever applicable, a reference to the successors and assigns of such party, and the provisions of this Assignment shall be binding upon and shall inure to the benefit of said successors and assigns. The terms of this Assignment shall be enforceable solely by the parties hereto and may not be relied upon by any other Person.

5. Wherever possible, each provision of this Assignment shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Assignment shall be prohibited by or invalid under applicable law, such provision shall be ineffective only to the

extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Assignment.

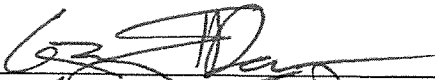

6. This Assignment shall be governed and construed in accordance with, and any dispute between the parties hereto arising out of, connected with, related to, or incidental to the relationship established between them in connection with this Assignment, and whether arising in contract, tort, equity, or otherwise, shall be resolved in accordance with, the internal laws and not the conflicts of law provisions of the State of Illinois.

7. This Assignment may be executed and accepted in any number of counterparts, each of which shall be an original with the same effect as if the signatures were on the same instrument. The delivery of an executed counterpart of a signature page to this Assignment by telecopier or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Assignment.
