OF
DIAGNOSTIC MARKERS, INC.

DPC 19901060102

Pursuant to the provisions of the Colorado Business Corporation Act, the undersigned corporation adopts the following Articles of Amendment to its Amended and Restated Articles of Incorporation:

FIRST: The name of the corporation is Diagnostic Markers, Inc. ^{NCCO}

SECOND: The provisions of ARTICLE I are deleted, and amended by the substitution of the following:

The name of the corporation shall be DMI BioSciences, Inc.

The provisions of ARTICLE V are deleted, and amended by the substitution of the following:

The aggregate number of shares that the corporation shall have the authority to issue is 100,000,000 shares of common stock, having no par value per share and 50,000,000 shares of preferred stock, having no par value per share. Each shareholder of record entitled to vote shall have one vote for each share of common stock standing in his name on the books of the corporation. Cumulative voting shall not be allowed in the election of directors or for any other purpose.

The board of directors of the corporation is hereby expressly authorized, by resolution or resolutions, to provide, out of the unissued shares of preferred stock, for the issuance of one or more series of preferred stock, with such voting powers, if any, and with such preferences, limitations and relative rights, within the limits provided by the Colorado Business Corporation Act, as shall be expressed in the resolution or resolutions providing for the issuance thereof adopted by the board of directors of the corporation, including without limiting the generality of the foregoing, dividend rights, dividend rates, conversion rights, redemption rights, voting rights, and liquidation preferences, the designation of such series and the number of shares to constitute such series and the conditions or restrictions, if any, upon the issuance of any additional stock, including any additional shares of such series or of any other series of this class, and the right to increase or decrease the number of shares of each such series (but not below the number of shares of each such series then outstanding).

all other series at any time outstanding. All shares of any one series of preferred stock shall be identical in all respects, with all other shares of such series, except that shares of any one series issued at different times may differ as to the dates from which dividends thereon shall be cumulative.

The provisions of ARTICLE XI are deleted, and amended by the substitution of the following:

If a quorum is present, the affirmative vote of a majority of the shares represented at a shareholders meeting and entitled to vote on the subject matter, shall be the act of the shareholders, unless the vote of a greater proportion or number is required by law; provided, however, that the affirmative vote of at least 66-2/3% of the shares represented at a shareholders meeting and entitled to vote on the subject matter, shall be required to approve any sale by the corporation of all or a substantial portion of its assets, any sale by the corporation of its assets outside the normal course of its business, and any amendment of the corporation's Articles of Incorporation, and for any action which (i) alters or changes the rights, preferences or privileges of the common stock, (ii) increases the authorized number of shares of common stock above 10,000,000, or (iii) creates any new class of shares having a preference over or being on parity with the common stock.

THIRD: The foregoing amendments were adopted on June 28, 2000, as prescribed by the Colorado Business Corporation Act, by a vote of the shareholders of the corporation. The number of shares voted for the foregoing amendment was sufficient for approval.

FOURTH: The manner, if not set forth in such amendment, in which any exchange, reclassification, or cancellation of issued shares provided for in the amendment shall be effected, is as follows: None.

IN WITNESS WHEREOF, the corporation has caused these Articles of Amendment to be executed on the 3rd day of July, 2000.

DIAGNOSTIC MARKERS, INC.
