(c) Grantor shall promptly notify the Grantee in writing of any additional patents, trademarks or copyrights acquired by Grantor after the date hereof that are material to the business of Grantor, and shall, upon the request of Grantor, submit to Grantee a supplement to Exhibit A-1, A-2 or A-3, as applicable, to reflect such additional patents, trademarks or copyrights (provided that any failure to do so shall not impair the Grantee's security interest therein).

(d) The rights and remedies of Grantee with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference.
