RELEASE OF SECURITY INTEREST IN TRADEMARKS

This RELEASE OF SECURITY INTEREST IN TRADEMARKS, dated as of May 8, 2012 (this "Release"), is made by CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH, a Swiss national bank with offices located at 11 Madison Avenue, New York, New York 10010, as collateral agent for the Secured Parties (the "Assignor"), in favor of AVENTAIL LLC, a Delaware limited liability company with offices located at 1143 Borregas Avenue, Sunnyvale, California 94089 ("Aventail") and SONICWALL, INC., a Delaware corporation with offices located at 2001 Logic Drive, San Jose, California 95124 ("SonicWALL" and together with Aventail, the "Assignees" and each an "Assignee").

All capitalized terms used but not otherwise defined herein have the meanings given to them in the Trademark Security Agreement (as defined below).

WITNESSETH

WHEREAS, the Assignees and the Assignor, among other parties, are parties to that certain (i) Credit Agreement, dated as of July 23, 2010 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), (ii) Guarantee and Collateral Agreement, dated as of July 23, 2010, (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), and (iii) Trademark Security Agreement, dated as of July 23, 2010 (the "Trademark Security Agreement");

WHEREAS, pursuant to the Trademark Security Agreement, each Assignee, as security for the payment or performance, as the case may be of the Obligations, pledged to the Assignor, its successors and assigns, for the ratable benefit of the Secured Parties, and granted to the Assignor, its successors and assigns, a security interest in all right, title or interest in or to the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether then owned or at any time thereafter acquired by such Assignee or in which such Assignee then had or at any time acquired any right, title or interest:

- (a) all Trademarks owned by such Assignee, including without limitation:
 - (i) each Trademark registration and application listed as owned by such Assignee on Schedule A annexed hereto;
 - (ii) all goodwill associated therewith or symbolized by such Trademarks; and
 - (iii) all proceeds of and products of such Trademarks, including any claim by such Assignee against third parties for past, present, future infringement or dilution of such Trademarks or injury to the goodwill associated with such Trademarks;

Notwithstanding the foregoing, the security interest granted therein did not extend to and the term "Trademark" did not include any Trademark applications filed in the United States Patent and Trademark Office on the basis of an Assignee's "intent-to-use" such Trademark (unless and until a statement of use in connection therewith was filed with the United States Patent and Trademark Office). Each Assignee acknowledged that, following the filing

with the United States Patent and Trademark Office of a statement of use with respect to any intent-to-use Trademark, such Assignee's interest in any such intent-to-use Trademark application automatically was subject to the security interest in favor of Assignor granted thereunder;

WHEREAS, the Trademark Security Agreement was recorded with the United States Patent and Trademark Office on August 2, 2010 at Reel/Frame No. 4252/0565; and

WHEREAS, the Assignor and the Assignees desire that the Assignor terminate and release its security interest in all right, title and interest of the Assignees in, to and under all of the Trademark Collateral, including, without limitation, the registrations and applications set forth in Schedule A hereto.

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

The Assignor hereby terminates, releases and discharges fully, without representation, warranty or recourse, its security interest in all right, title and interest of the Assignees in, to and under all of the Trademark Collateral, including, without limitation, the registrations and applications set forth on Schedule A hereto, and reassigns and transfers any right, title and interest that the Assignor may have in the Trademark Collateral to the Assignees.

The Assignor hereby authorizes the Assignees, or the Assignees' authorized representative to record this Release with the United States Patent and Trademark Office. The Assignor further agrees to execute and deliver to the Assignees any and all further documents and instruments, and do any and all further acts which the Assignees (or their agents or designees) reasonably request, at the Assignees' sole cost and expense, in order to confirm this Release and the Assignees' right, title, and interest in or to the Trademark Collateral.

This Release shall be construed in accordance with and governed by the laws of the state of New York, without regard to conflict of laws principles.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, Assignor has caused this RELEASE OF SECURITY INTEREST IN TRADEMARKS to be duly executed and delivered by its duly authorized officer as of the date first written above.
