**CONFIRMATORY GRANT OF SECURITY INTEREST
IN UNITED STATES TRADEMARKS**

THIS CONFIRMATORY GRANT OF SECURITY INTEREST IN UNITED STATES TRADEMARKS (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Confirmatory Grant") is made effective as of June 12, 2012 by and from Upsher-Smith Laboratories, Inc., a Minnesota corporation (the "Grantor"), to and in favor of JPMORGAN CHASE BANK, N.A. for itself and as Administrative Agent for the Secured Parties (as defined in the Credit Agreement referenced below) (in such capacities, the "Grantee").

WHEREAS, Grantor, the Foreign Subsidiary Borrowers party thereto from time to time, the Lenders, the Issuing Bank and Grantee have entered into a Credit Agreement dated as of June 12, 2012 (as may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement").

WHEREAS, certain Subsidiaries of the Grantor have guaranteed the repayment of the Secured Obligations pursuant to a Guaranty dated as of June 12, 2012 (as may be amended, restated, supplemented or otherwise modified from time to time).

WHEREAS, the Grantor and certain Subsidiaries of the Grantor have entered into a Pledge and Security Agreement dated as of June 12, 2012 (as may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement").

WHEREAS, the Grantor owns the Trademarks (as defined below), which Trademarks are pending or registered with the United States Patent and Trademark Office.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

1) Definitions. All capitalized terms not defined herein shall have the respective meaning given to them in the Credit Agreement.

2) The Security Interest.

(a) This Confirmatory Grant is made to secure the satisfactory performance and payment of (i) all the Secured Obligations and (ii) all of the obligations and liabilities of the Guarantors under the Guaranty. Upon (i) the termination of any and all commitments to extend credit under the Loan Documents, and the termination of the Credit Agreement pursuant to its express terms and (ii) the payment of all of the Secured Obligations (other than Unliquidated Obligations) in cash and in full (or with respect to any outstanding Letters of Credit, the cash collateralization of such Letter of Credit on terms reasonably acceptable to the Administrative Agent and the Issuing Bank or the delivery of a backup Letter of Credit to the Administrative Agent as required by the Credit Agreement) and any commitments of the Administrative Agent or the Secured Parties which would give rise to any Obligations no longer being outstanding, this Confirmatory Grant shall terminate and all rights to the Trademarks shall revert to the Grantor. Upon such termination, the Grantee shall promptly, upon such satisfaction, execute, acknowledge, and deliver to the Grantor all reasonably requested instruments in writing releasing the lien and security interest in the Trademarks acquired under the Security Agreement and this Confirmatory Grant.

(b) The Grantor hereby pledges and grants to the Grantee, on behalf of and for the benefit of the Secured Parties, a lien in and security interest in all of the Grantor's right, title and interest, whether now owned or hereafter acquired, in and to (1) its trademarks (including service marks), trade names, trade styles, trade dress and the registrations and applications for registration thereof, in each case, owned by such Grantor, including the foregoing listed on Exhibit A, and the goodwill of the business symbolized by the foregoing; (2) all renewals of the foregoing; (3) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements thereof; (4) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and (5) all rights corresponding to any of the foregoing throughout the world (the "Trademarks").

(c) Notwithstanding anything to the contrary contained above, the security interest created by this Confirmatory Grant shall not extend to Excluded Assets.

3) Grants, Rights, Remedies. This Confirmatory Grant has been executed in conjunction with the security interest granted under the Security Agreement to the Grantee for the benefit of the Secured Parties. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Security Agreement and the other Loan Documents, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Confirmatory Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

4) Governing Law. **THIS CONFIRMATORY GRANT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.**

5) Counterparts. This Confirmatory Grant may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Confirmatory Grant by telecopy shall be effective as delivery of a manually executed counterpart of this Confirmatory Grant.

IN WITNESS WHEREOF, the Grantor has executed this Confirmatory Grant effective as of the date first written above.
