INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this “**Agreement**”), is dated as of June 20, 2012, among MegaPath Group Inc., a Delaware corporation, and MegaPath Corporation, a Virginia corporation (each of the foregoing, a “**Grantor**”, and collectively, the “**Grantors**”), and Société Générale, as Collateral Agent for the Secured Parties (as defined in the Pledge and Security Agreement referred to below) (herein in such capacity, the “**Collateral Agent**”).

RECITALS

- (A) Grantors, the financial institutions listed on the signature pages thereof (each individually referred to as a “**Lender**” and collectively as “**Lenders**”) and Société Générale, as administrative agent for the Lenders (in such capacity, the “**Administrative Agent**”), among others, are parties to a Credit Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time in accordance with its terms: the “**Credit Agreement**”).
- (B) The Grantors are party to a Pledge and Security Agreement, dated as of the date hereof in favor of the Collateral Agent (as it may from time to time be amended, restated, supplemented or otherwise modified in accordance with its terms, the “**Pledge and Security Agreement**”), pursuant to which the Grantors are required to execute and deliver this Agreement.
- (C) In consideration of the mutual conditions and agreements set forth in the Credit Agreement, the Pledge and Security Agreement and this Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

SECTION 1 Defined Terms

Unless otherwise defined herein, terms defined in the Pledge and Security Agreement and used herein have the meaning given to them in the Pledge and Security Agreement.

SECTION 2 Grant of Security Interest in Intellectual Property Collateral

Each Grantor hereby pledges, assigns, transfers and grants to the Collateral Agent, for its benefit and for the benefit of the Secured Parties, a continuing security interest in and Lien on all of its right, title and interest in, to and under all Intellectual Property Collateral, whether now owned or existing or hereafter acquired, developed, created, or arising and wherever located.

“**Intellectual Property Collateral**” means each Grantor’s right, title and interest in, to and under all of the following included in the Collateral:

- (a) all Copyrights registrations and applications for Copyrights owned by any Grantor including, without limitation, the registrations and applications listed or required to be listed on Schedule I hereto;

(b) all Patents and applications for Patents owned by any Grantor, including without limitation, the registrations and applications listed or required to be listed on Schedule II hereto;

(c) all Trademarks registrations and applications for Trademarks owned by any Grantor, including without limitation, the registrations and applications listed or required to be listed on Schedule III hereto;

(d) all goodwill of the business connected with the use of, and symbolized by, each Trademark owned by any Grantor;

(e) all reissues, continuations or extensions of the foregoing;

(f) all Proceeds of the foregoing, including any claim by Grantor against third parties for past, present or future (i) infringement or, if applicable, dilution of any (A) Copyright or Copyright licensed under any Copyright License, (B) Trademark or Trademark licensed under any Trademark License or (C) Patent or Patent licensed under any Patent License or (ii) injury to the goodwill associated with any Trademark; and

(g) all other rights of any kind accruing thereunder or pertaining thereto throughout the world.

SECTION 3 Certain Exclusions

Notwithstanding anything herein to the contrary, in no event will the Collateral include and no Grantor will be deemed to have granted a Security Interest in any of its right, title or interest in any Intellectual Property Collateral if the grant of such Security Interest would constitute or result in the abandonment of, invalidation of, voiding or rendering unenforceable any of its right, title or interest therein, including any application for registration of a Trademark filed on an intent-to-use basis filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and until such time as a statement of use has been filed and duly accepted by the United States Patent and Trademark Office at which point the Collateral shall include, and the Security Interest shall attach to, such application.

SECTION 4 Pledge and Security Agreement

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Pledge and Security Agreement, and each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest granted by them in the Intellectual Property Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any conflict between the terms of this Agreement and the Pledge and Security Agreement, the Pledge and Security Agreement shall control.

SECTION 5 Governing Law

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER ARE GOVERNED BY, AND WILL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK (INCLUDING SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK), WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THAT WOULD REQUIRE APPLICATION OF ANOTHER LAW.

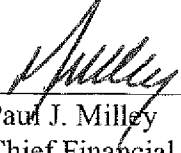

SECTION 4 Termination

- (a) This Agreement and the security interests granted hereunder will automatically terminate upon the Payment in Full of all Secured Obligations, at which time the Collateral Agent, at the Grantors' expense, will promptly execute and deliver to the Grantors all releases and similar documents and notices of termination and take any and all other actions that the Grantors may reasonably request to evidence such termination.
- (b) Upon (i) any sale, lease, transfer or other disposition of any item of Intellectual Property Collateral of any Grantor or (ii) the release of any Grantor from the security interests granted hereunder and its obligations under the Loan Documents, in each case, in accordance with the terms of the Loan Documents, the security interest of the Collateral Agent in such Intellectual Property Collateral or such Grantor, as applicable, shall be automatically released. The Collateral Agent, at such Grantor's expense, shall promptly execute and deliver to such Grantor all releases, notices of termination and similar documents and take any and all other actions that such Grantor may reasonably request to evidence the release of such item of Intellectual Property Collateral or such Grantor, as applicable, from the assignment and security interests granted hereby.
- (c) Any execution and delivery of releases, notices of termination, or other documents pursuant to this Section 4 will be without recourse to or warranty by the Collateral Agent.
