## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of August 7, 2012 (this "Agreement"), is made by the entity listed on the signature page hereof (the "Grantor"), in favor of JPMorgan Chase Bank, N.A., as administrative agent (in such capacity, together with its successors and permitted assigns, the "US Agent") for the US Lenders and the US L/C Issuers (as defined in the Credit Agreement referred to below) and the other Secured Parties.

### WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, dated as of August 7, 2012 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), by and among Thermon Industries, Inc., a Texas corporation (the "US Borrower"), Thermon Canada Inc., a Nova Scotia company (the "Canadian Borrower" and together with US Borrower, the "Borrowers"), Holdings, the other Credit Parties party thereto, the Lenders and the L/C Issuers from time to time party thereto, US Agent, and JPMorgan Chase Bank, N.A., Toronto Branch, as Canadian Agent for the Canadian Lenders and the Canadian L/C Issuers, the Lenders and the L/C Issuers have severally agreed to make extensions of credit to the Borrowers upon the terms and subject to the conditions set forth therein;

WHEREAS, Grantor has agreed, pursuant to a Guaranty and Security Agreement of even date herewith in favor of the US Agent (the "Guaranty and Security Agreement"), to guarantee the Obligations (as defined in the Credit Agreement, and including, but not limited to the Canadian Obligations) of the Borrowers; and

WHEREAS, the Grantor is party to the Guaranty and Security Agreement pursuant to which the Grantor is required to execute and deliver this Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders, the L/C Issuers, the US Agent and the Canadian Agent to enter into the Credit Agreement and to induce the Lenders and the L/C Issuers to make their respective extensions of credit to the Borrowers thereunder, Grantor hereby agrees with the US Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of Grantor, hereby mortgages, pledges and hypothecates to the US Agent for the benefit of the Secured Parties, and grants to the US Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of Grantor, whether now or hereafter acquired (other than any

Excluded Property, but only during such time that such Collateral actually constitutes Excluded Property) (the "Trademark Collateral"):

- (a) all of its U.S. registered Trademarks, Trademark applications and license agreements in connection with any of the Trademarks, including, without limitation, those referred to on Schedule 1 hereto;
- (b) all renewals and extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and
- (d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the US Agent pursuant to the Guaranty and Security Agreement and Grantor hereby acknowledges and agrees that the rights and remedies of the US Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Grantor hereby agrees that, anything herein to the contrary notwithstanding, Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its Trademarks subject to a security interest hereunder.

Section 5. Counterparts. This Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Delivery of an executed signature page of this Agreement by facsimile transmission or Electronic Transmission shall be as effective as delivery of a manually executed counterpart hereof.

Section 6. Termination. This Agreement shall terminate concurrently with the termination of the Guaranty and Security Agreement.

Section 7. Governing Law. This Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of Texas.

Section 8. Conflict with Other Agreements. In the event of any conflict between this Agreement (or any portion thereof) and the Guaranty and Security Agreement, the Guaranty and Security Agreement shall prevail.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, the undersigned has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

THERMON MANUFACTURING  
COMPANY, a Texas corporation, as
