DEED OF ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS

THIS DEED is made on 29 June 2012

BETWEEN: INC CORPORATION PTY LTD (ACN 005 302 250) of 63-79 South Park Drive, Dandenong South, Victoria 3175, Australia (INC)

AND: EMAN8 PTY LTD (ACN 009 134 169) of 63-79 South Park Drive, Dandenong South, Victoria 3175, Australia (Eman8)

AND: ZEPHYROS, INC., a company incorporated in the State of Michigan, of 160 McLean Drive, Romeo, Michigan 48065, United States of America (Zephyros)

RECITALS:

- A. On 13 June 2012, the parties entered into a Sale Agreement pursuant to which INC and Eman8 agreed to assign all their respective right, title and interest in and to the Assigned Rights.
- B. INC and Eman8 have agreed to assign all their respective right, title and interest in and to the Assigned Rights to Zephyros on the terms and conditions set out in this Deed.

IT IS AGREED:

1. DEFINITIONS AND INTERPRETATION

1.1 Definitions

In this Deed:

Applications means each patent application listed in Schedule 1;

Assigned Rights means the Business Names, Patents, Trade Marks and Copyright

Business Names means the business name registrations listed in Schedule 4;

Ceased Patents means those patents listed in Schedule 1 which were registered but have since ceased.

Copyright means any and all copyright subsisting throughout the world in the work described in Schedule 3;

Corresponding Application means an application for a patent made in respect of an invention described in an Application and includes an application for a patent which claims the same priority date as an Application or is a refiling of an Application, a divisional application, a continuation or a continuation in part or an application made under the Patent Cooperation Treaty, including any national or regional phase entry resulting from an Application.

Invention means the invention(s) described in a Patent or Application.

Other Rights means any of the following rights Eman8 may have in relation to the Inventions, to the extent any such rights are assignable at law:

- (a) rights under section 24 of the *Patents Act* 1990 or any corresponding provision under any other legislation in Australia and any country providing for a grace period; and
- (b) rights under section 114 of the *Patents Act* 1990 and any corresponding provision under any other legislation in Australia or any other country providing for prior use rights.

Patent means each patent set out in Schedule 1 and each patent issuing on an Application or a Corresponding Application.

Trade Marks means the trade marks and trade mark applications set out in Schedule 2 of which Eman8 is the owner or applicant under the *Trade Marks Act* 1995 (Cth) and equivalent Acts in other jurisdictions.

1.2 Interpretation

In this Agreement, unless the context indicates to the contrary:

- (a) headings are for convenience only and do not affect interpretation;
- (b) the singular includes the plural and conversely;

- (c) the meaning of general words is not limited by specific examples introduced by including, or for example, or similar expressions;
- (d) if a word or phrase is defined, its other grammatical forms have a corresponding meaning;
- (e) a reference to an agreement or document (including a reference to this Deed) is to the agreement or document as amended, varied, supplemented, novated or replaced, except to the extent prohibited by this Deed or that other agreement or document;
- (f) the expression *person* includes a natural person, an institution, a body corporate, an agency or other body;
- (g) references to any *party* to this Agreement will include the party's legal successor (including executors and administrators) and permitted assigns;
- (h) references to any document or agreement will be taken to include references to such document or agreement as amended, novated, supplemented, varied or replaced from time to time; and
- (i) all Schedules of, and Annexures to, this Agreement form part of this Agreement.

2. EFFECT OF THIS DEED

The parties acknowledge that the clauses in this Deed will take effect in the sequential order in which they appear.

3. ASSIGNMENT

3.1 Eman8, as the legal and beneficial owner, assigns to Zephyros absolutely, all its right, title and interest whatsoever and wherever subsisting in the world in and to:

- (a) each Application, including the right to be named as applicant in the Application;
- (b) all Corresponding Applications;
- (c) each Invention, including the right to apply for patent protection in respect of each Invention in its own name;
- (d) the right to claim priority from each Application;

- (e) the Patents;
- (f) the Other Rights;
- (g) the Trade Marks, including any and all benefit which may be obtained from registration of any Trade Marks in any part of the world; and
- (h) the right to sue for infringement of any Trade Mark, Patent, Ceased Patent or patent issuing on an Application or Corresponding Application, or any rights assigned and any other accrued causes of action occurring prior to the date of this Deed,

with the intention that all Patents, extensions, reissues and re-examinations of, and patents of addition to, the Patents shall issue in the name of the Assignee absolutely.

3.2 INC, as the legal and beneficial owner, assigns to Zephyros absolutely, all its right, title and interest whatsoever and wherever subsisting in the world in and to:

- (a) the Business Names; and
- (b) the Copyright, including the right to sue for infringement of the Copyright and any other accrued causes of action occurring prior to the date of this Deed.

4. FURTHER ASSURANCES

INC and Emans8 undertake, at Zephyros' expense and upon request by Zephyros, to do all acts and execute all documents necessary or desirable for further assuring the title of Zephyros to the benefit of any of the rights assigned pursuant to this Deed.

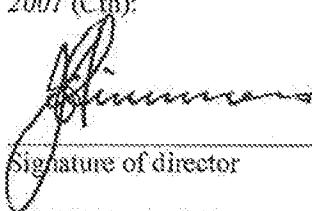

5. GENERAL

- (a) No variation of this Assignment will be of any force or effect unless it is in writing and signed by the parties to this document.
- (b) This Assignment is governed by the law of Victoria, Australia. The parties submit to the non-exclusive jurisdiction of its courts and courts of appeal from them. The parties will not object to the exercise of jurisdiction by those courts on any basis.
- (c) Each party will bear its own costs of and incidental to the preparation of this Assignment and the matters referred to in the Recitals.

- (d) This Assignment will be binding on, and enure for the benefit on each of the parties and their respective successors in title and permitted assigns.
- (e) This Assignment may be executed in any number of counterparts including facsimile and electronic counterparts. All counterparts together will be taken to constitute one instrument.
