UNITED STATES MASTER INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This **UNITED STATES MASTER INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT** is made and entered into as of October 16, 2012 (this "Agreement"), by and between Strategic Diagnostics Inc., a Delaware corporation, having offices at 111 Pencader Drive, Newark, DE 19702 ("Assignor") and Romer LABS Technology, Inc., a Delaware corporation, having a place of business at 130 Sandy Drive, Newark, DE 19713 ("Assignee"). Capitalized terms used, but not defined, herein shall have the meanings ascribed to them in the Purchase Agreement (as defined below).

WITNESSETH

WHEREAS, Assignor is the owner of the trademark applications and registrations (collectively, the "Marks") and patents (the "Patents") listed on Schedule A attached hereto (collectively, the "Purchased Marks and Patents");

WHEREAS, Assignee and Assignor have entered into that certain Asset Purchase Agreement, dated as September 28, 2012 (the "Purchase Agreement");

WHEREAS, pursuant to the Purchase Agreement, Assignor has agreed to assign, and Assignee has agreed to acquire, the Purchased Marks and Patents and the goodwill associated therewith; and

WHEREAS, Assignor and Assignee wish to evidence the assignment of the Purchased Marks and Patents in the relevant trademark office.

NOW, THEREFORE, the undersigned, intending to be legally bound hereby, in consideration of the payment of the sums set forth in the Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, and in consideration of the mutual covenants herein, and in the Purchase Agreement, hereby agree as follows:

1. Assignor hereby assigns to Assignee all right, title and interest as it holds in and to the Purchased Marks and Patents and all causes of action for past or future infringement thereof, and all rights to claim priority based thereon, and any goodwill associated therewith, and Assignee accepts such assignment.

2. Assignee has the right to record and file this assignment in each of the relevant trademark offices, at Assignee's sole cost and expense. This assignment is expressly made subject to the terms and provisions of the Purchase Agreement. In the event of a conflict or inconsistency between the provisions of this assignment and the provisions of the Purchase Agreement, the provisions of the Purchase Agreement will prevail.

3. Nothing in this Agreement, expressed or implied, is intended or shall be construed to confer upon or give to any person or entity other than Assignor and Assignee and their successors and assigns, any remedy or claim under or by reason of this Agreement or any term, covenant or condition hereof, and all of the terms, covenants, conditions, promises and agreements contained in this Agreement shall be for the sole and exclusive benefit of Assignor and Assignee and their successors and assigns.

4. This Agreement is being executed pursuant to the Purchase Agreement and is subject to all of the terms and conditions of the Purchase Agreement. Neither the making nor the acceptance of this Agreement shall enlarge, restrict or otherwise modify the terms of the Purchase Agreement or constitute a waiver or release by Assignor or Assignee of any liabilities, duties or obligations imposed upon any of

them by the terms of the Purchase Agreement, including, without limitation, the representations and warranties and other provisions that the Purchase Agreement provides shall survive the Closing Date.

5. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Nothing in this Agreement shall create or be deemed to create any third party beneficiary rights in any person or entity not a party to this Agreement. No assignment of this Agreement or of any rights or obligations hereunder may be made by either Assignor or Assignee, directly or indirectly (by operation of law or otherwise), without the prior written consent of the other parties hereto and any attempted assignment without the required consents shall be void. No assignment of any obligations hereunder shall relieve the parties hereto of any such obligations. Upon any such permitted assignment, the references in this Agreement to Assignee shall also apply to any such assignee unless the context otherwise requires.

6. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware applicable to contracts made and performed therein without giving effect to the choice of law principles of the State of Delaware that would require or permit the application of the Laws of another jurisdiction. The parties hereto hereby irrevocably submit to the exclusive jurisdiction of any federal or state court located in Wilmington, Delaware over any dispute arising out of or relating to this Agreement or any of the transactions contemplated hereby and each party hereby irrevocably agrees that all claims in respect of such dispute or any suit, action proceeding related thereto may be heard and determined in such courts. The parties hereby irrevocably waive, to the fullest extent permitted by applicable Law, any objection which they may now or hereafter have to the laying of venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance of such dispute.

7. This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Agreement (including those delivered via facsimile) and all of which, when taken together, will be deemed to constitute one and the same agreement.
