Trademark Security Agreement

TRADEMARK SECURITY AGREEMENT dated as of December 14, 2012 (this “Agreement”), made by PRINCE MINERALS, INC. a Delaware corporation, GRINDING AND SIZING COMPANY LLC, a Delaware limited liability company, and IGC TECHNOLOGIES, INC, a Delaware limited liability company (each, a “Pledgor” and collectively, the “Pledgors”), in favor of Wilmington Trust, N.A., as collateral agent (the “Collateral Agent”).

Reference is made to the Collateral Agreement dated as of December 14, 2012 (as amended, restated, supplemented or otherwise modified from time to time, the “Collateral Agreement”), among Prince Mineral Holding Corp. (the “Company”), each subsidiary of the Company party thereto and the Collateral Agent. The parties hereto agree as follows:

SECTION 1. **Terms.** Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. **Grant of Security Interest.** As security for the payment or performance when due (whether at the stated maturity, by acceleration or otherwise), as the case may be, in full of its Obligations, each Pledgor pursuant to the Collateral Agreement did, and hereby does, assign and pledge to the Collateral Agent, its successors and permitted assigns, for the ratable benefit of the Secured Parties, and pursuant to the Collateral Agreement did, and hereby does, grant to the Collateral Agent, its successors and permitted assigns, for the ratable benefit of the Secured Parties, a continuing first priority security interest in all of such Pledgor’s right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by such Pledgor or in which such Pledgor now has or at any time in the future may acquire any right, title or interest (collectively, the “Trademark Collateral”):

(i) all United States Trademarks, including those listed on Schedule I;

provided, however, that the foregoing pledge assignment and grant of security interest will not cover any “intent-to-use” applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) or 1(d) of the Lanham Act has been filed, to the extent that, and solely during the period for which, any assignment of an “intent-to-use” application prior to such filing would violate the Lanham Act.

SECTION 3. **Recordation.** This Agreement has been executed and delivered by each Pledgor for the purpose of, among other things, recording the grant of security interest herein with the United States Patent and Trademark Office. Each Grantor authorizes and requests that the Commissioner for Trademarks, and any other applicable government officer record this Agreement.

SECTION 4. **Collateral Agreement.** The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. Each Pledgor hereby

acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 5. *Counterparts.* This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract. Delivery of an executed counterpart to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually signed original.

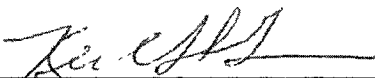

SECTION 6. *Termination.* This Agreement is made to secure the payment of the Secured Obligations. This Agreement and the security interest granted hereby shall terminate with respect to all of a Pledgor's Secured Obligations and any Lien arising therefrom shall be automatically released upon termination of the Collateral Agreement or release of such Pledgor's Secured Obligations thereunder or as otherwise provided in the Collateral Agreement. The Collateral Agent shall, in connection with any termination or release herein or under the Collateral Agreement, at the applicable Pledgor's expense, execute and deliver to any Pledgor as such Pledgor may request, an instrument in writing releasing the security interest in the Trademark Collateral acquired under this Agreement. Additionally, upon such payment (and when otherwise contemplated by the Collateral Agreement), the Collateral Agent shall, at the applicable Pledgor's expense, reasonably cooperate with any efforts made by a Pledgor to make a record or otherwise confirm such satisfaction including, but not limited to, the release and/or termination of this Agreement and any security interest in, to or under the Trademark Collateral.

SECTION 7. *Governing Law.* THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.
