TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (the "Assignment") dated as of December 17, 2012 (the "Effective Date"), is made by and between Newfrey LLC, a Delaware LLC and The Black & Decker Corporation, a Maryland corporation (collectively, "Assignor") and Spectrum Brands, Inc., a Delaware corporation ("Assignee").

WITNESSETH:

WHEREAS, one of Assignor's and Assignee's affiliates entered into a certain Acquisition Agreement, dated as of October 8, 2012 (the "Acquisition Agreement"); and

WHEREAS, pursuant to the Acquisition Agreement, Assignee shall purchase and accept and Assignor shall transfer and assign to Assignee all of Assignor's right, title and interest in, to and under certain trademarks, and any registrations thereof or applications therefor, as listed in Section 1.01(i) of the Seller Disclosure Schedules thereto and as relisted in Schedule A hereto and including all goodwill associated therewith (the "Trademarks").

NOW, THEREFORE, in consideration of the premises and covenants set forth herein and in the Acquisition Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Section 1.1 Assignment. Assignor hereby sells, transfers, conveys, assigns and delivers to Assignee, and Assignee hereby purchases and accepts from Assignor, all of Assignor's right, title and interest in and to the Trademarks, including, but not limited to, the goodwill associated therewith and the exclusive rights to (a) bring actions, defend against or otherwise recover for infringements, and the right to the profits or damages due or accrued, arising out of or in connection with any and all past, present or future infringements of the Trademarks, (b) apply for, make filings with respect to and maintain all registrations, renewals and extensions thereof, and (c) all other rights of any kind whatsoever of Assignor accruing thereunder.

Section 1.2 Acknowledgement. Assignor hereby acknowledges and agrees that from and after the date hereof, as between the Parties, Assignee shall be the exclusive owner of the Trademarks.

Section 1.3 Cooperation. This Assignment has been executed and delivered by the Assignor for the purpose of recording the assignment herein with the appropriate government entity. At Assignee's sole cost and expense, Assignor shall execute and deliver such other documents and take all other actions which Assignee, its successors and/or assigns may reasonably request to effect the terms of this Assignment and to perfect Assignee's right, title and interest in and to the Trademarks, including, without limitation, its recordation in relevant state and national trademark offices.

Section 1.4 EXCLUSION OF WARRANTIES. EXCEPT AS EXPRESSLY PROVIDED IN THE ACQUISITION AGREEMENT, THERE ARE NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, REGARDING THIS AGREEMENT OR THE SUBJECT MATTER HEREOF, AND ANY REPRESENTATIONS OR WARRANTIES RELATING TO THIS AGREEMENT OR THE SUBJECT MATTER HEREOF ARE HEREBY DISCLAIMED.

Section 1.5 General Provisions. This Assignment and the Acquisition Agreement constitute the entire understanding and agreement of the parties hereto with respect to the subject matter hereof and supersede all prior and contemporaneous agreements or understandings, inducements or conditions, express or implied, written or oral, between and among the parties with respect hereto. Nothing contained in this Assignment supersedes, alters or modifies any of the obligations, agreements, covenants or warranties of Assignor or Assignee under the Acquisition Agreement (all of which survive the execution and delivery of this Assignment as provided and subject to the limitations set forth in the Acquisition Agreement). In the event of any conflict between the terms of this Assignment and the terms of the Acquisition Agreement, the terms of the Acquisition Agreement shall control. This Assignment shall not be interpreted to broaden the scope of Assignee's rights with respect to the Trademarks beyond those rights provided in the Acquisition Agreement. This Assignment may not be supplemented, altered, or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Assignment shall not waive any of its rights under such terms or provisions. This Assignment shall bind and inure to the benefit of the respective parties and their assigns, transferees and successors.

Section 1.6 Governing Law; Jurisdiction and Venue. This Assignment shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to any conflict of laws provisions thereof that would result in the application of the laws of another jurisdiction. Both Assignee and Assignor hereby consent to and submit to the exclusive jurisdiction and venue of the federal and state courts located in the State of New York for enforcement or interpretation of this Assignment, and for any disputes under or arising out of this Assignment.

Section 1.7 Counterparts. This Assignment may be executed in counterparts, each of which will be an original as regards any party whose signature appears thereon and both of which together will constitute one and the same instrument.
