TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT is entered into and effective this 27th day of December, 2012, by and between WWRD Ireland IPCo LLC, a Delaware limited liability company ("Grantor"), and Bank of America, N.A., a national banking association with a principal place of business at 335 Madison Avenue, New York, NY 10017 ("Agent"). Grantor and Agent are sometimes collectively referred to herein as the "Parties". Capitalized terms used herein but not otherwise defined shall have the meanings given to them in that certain Loan Agreement, dated as of the date hereof, by and among the Grantor, the other Obligors party thereto, the Lenders party thereto and the Agent (as the same may be amended, restated or otherwise modified from time to time).

RECITALS

A. Grantor is the owner of the trademarks set forth in **Exhibit A** attached hereto, including without limitation all registrations therefor, all applications for the registration thereof, all common law rights therein, and all goodwill associated therewith.

B. Pursuant to that certain General Security Agreement, dated on or about the date hereof among the Parties hereto and the other Obligors party thereto (as may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, the "Security Agreement"), and subject to the terms of the Intercreditor and Subordination Agreement, Grantor has granted to Agent, as agent for the Secured Parties, a first priority lien on and security interest in and to certain assets of the Grantor, including without limitation the trademark assets described in Recital Paragraph "A" and more fully defined herein below as the "Trademark Collateral", and a second priority lien on and security interest in and to certain other assets of the Grantor.

C. Pursuant to the Security Agreement and subject to the terms of the Intercreditor and Subordination Agreement, the Parties hereto wish to confirm Grantor's grant to Agent of a first priority lien on and security interest in and to the trademark assets described in Recital Paragraph "A" and more fully defined herein below as the "Trademark Collateral".

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

1. Grantor hereby grants to the Agent, for the benefit of the Secured Parties, and the Agent hereby accepts from the Grantor, subject to the terms of the Intercreditor and Subordination Agreement, a first priority lien on and security interest in and to all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property collectively referred to herein as the "Trademark Collateral"), whether presently existing or hereafter arising or acquired:

- (i) all of the trademarks referred to in **Exhibit A** hereto, including without limitation all common law rights therein, all registrations therefor, all applications for the

registration thereof, all renewals and extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, such trademarks;

- (ii) all licenses associated with the use of any of such trademarks;
- (iii) all products and proceeds of the foregoing, including without limitation any claim by or accruing to Grantor against third parties for the past, present or future infringement, violation, dilution, misuse or misappropriation of any such trademarks, or for injury to the goodwill associated with any such trademarks.

Notwithstanding the foregoing, in the case of any intent-to-use trademark application in the United States, the security interest shall not be granted until a statement of use has been filed with and accepted by the United States Patent and Trademark Office.

2. This security interest is granted in conjunction with the security interest granted to the Agent for the benefit of the Secured Parties in assets of the Grantor, as set forth more fully in the Security Agreement and is subject to the terms of the Intercreditor and Subordination Agreement.

3. The rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are without prejudice to and without limitation of those rights and remedies of the Agent which are set forth in the Security Agreement, the terms and provisions of which are in no way limited, qualified, amended or negated by this Trademark Security Agreement.

4. In the event of any conflict between the terms and provisions of this Trademark Security Agreement and those of the Security Agreement, the terms and provisions of the Security Agreement shall govern and control.

5. Subject to paragraph 4 hereof, this Trademark Security Agreement sets forth the entire agreement and understanding between the Parties hereto with respect to the subject matter hereof, and supersedes all prior agreements, drafts of agreement, understandings and commitments, whether oral or written, related to such subject matter.

6. This Trademark Security Agreement may only be modified or amended by a further agreement in writing executed by both Parties hereto.

7. This Trademark Security Agreement is governed by the trademark laws of the United States of America and the laws of the State of New York, applicable to contracts executed and fully performed within the State of New York, without regard to conflicts or choice of laws principles.

8. This Trademark Security Agreement is effective as of the date and year above first written, regardless of the actual dates of signature of the Parties.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, this Trademark Security Agreement has been duly executed by the Parties' officers thereunto duly authorized on the 27th day of December, 2012.
