EXHIBIT A

TRADEMARK ASSIGNMENT

This Trademark Assignment (the "Assignment") is executed this 26 day of February, 2013, by Enesco, LLC, a Delaware limited liability company ("Assignor"), in favor of VPC Fuller Brush Operating Corp., a Delaware corporation ("Assignee").

WHEREAS, Assignor owns all the right, title and interest in and to the trademarks, trademark applications and trademark registrations identified in Schedule 1 (collectively, the "Trademarks, Applications and Registrations"), together with the goodwill of the business associated therewith; and

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Trademarks, Applications and Registrations, and the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Assignor conveys and assigns to Assignee, free and clear of all liens, claims, mortgages, security interests, encumbrances and pledges, all of its right, title and interest in and to the Trademarks, Applications and Registrations, in the United States and all jurisdictions outside the United States (including all common law rights in and to such Trademarks, Applications and Registrations, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademarks, Applications and Registrations, and any priority right that may arise from use of the Trademarks, Applications and Registrations), and all goodwill of the business represented and symbolized thereby with all rights to sue and recover damages and/or profits for past infringements, the same to be held and enjoyed by Assignee, its successors and assigns as fully and entirely as said interest could have been held and enjoyed by Assignor had this conveyance and assignment not been made.

Assignor hereby represents and warrants to Assignee that (i) Assignor has the right, power and authority to transfer the Trademarks, Applications and Registrations to Assignee, (ii) Assignor has not previously assigned the Trademarks, Applications and Registrations, (iii) the Trademarks, Applications and Registrations are being transferred to Assignee free and clear of any lien or encumbrance and (iv) Assignor has not received any written notice that the use of the Trademarks, Applications and Registrations have infringed or violated any trademark rights or other intellectual property rights of a third party.

Assignor further agrees, without further consideration, to promptly cause to be performed such lawful acts and to be executed such further assignments and other lawful documents as Assignee may reasonably request to effectuate fully this Assignment and to permit Assignee to be duly recorded in all applicable jurisdictions as the registered owner and proprietor of the rights hereby conveyed.

[Signature Page Follows]

IN WITNESS WHEREOF, the undersigned has caused this Assignment to be executed and delivered as of the date first written above.

ENESCO, LLC
