DECLARATION IN SUPPORT OF REQUEST TO CORRECT ERROR IN RECORDATION

1. I am Katrina G. Hull, a citizen of the United States, and attorney with the law firm Michael Best & Friedrich LLP, with an address at 100 East Wisconsin Avenue, Suite 3300, Milwaukee, Wisconsin 53202, which serves as intellectual property counsel for ACCO World Corporation, the parent company of General Binding LLC, a Delaware limited liability company with an address at 300 Tower Parkway, Lincolnshire, Illinois 60069.

2. On February 14, 2013, provided with a list of United States trademark registrations by General Binding LLC, I filed a Change of Name Assignment with the United States Patent and Trademark Office Assignment Branch. This Change of Name Assignment is recorded at Reel 4960, Frame 0774.

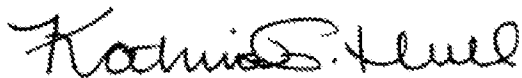

3. This list erroneously included three registrations which no longer belonged to the assigning party, General Binding Corporation: LAY-FLAT, Reg. No. 1,849,913; CYCLONE, Reg. No. 2,609,085; and FX, Reg. No. 3,532,550;

4. These three registrations are owned by Cosmo Films, Inc., and Cosmo Films, Inc. has been and continues to be the owner of the LAY-FLAT, CYCLONE, and FX registrations.

5. Therefore, because General Binding Corporation did not own these three registrations at the time the Name Change Assignment was filed, the Name Change Assignment was recorded erroneously against these registrations. As such, I request that the USPTO amend

the Assignment Branch records to remove the Name Change recorded against these three trademark registrations, shown in Reel 4960, Frame 0774, such that the Assignment Records reflect that they are owned by Cosmo Films, Inc.

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements may jeopardize the validity of the application or document or registration resulting therefrom, declares that all statements made of her own knowledge are true; and all statements made on information and belief are believed to be true.
