## TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of July 16, 2013, by and among (a) the Notes Issuers and Subsidiary Guarantors signatory hereto (hereinafter referred to individually, as a "Grantor" and, collectively with any other Person now or hereafter party hereto as a grantor, as the "Grantors"), and (b) Wells Fargo Bank, National Association, as collateral agent (in such capacity, the "Collateral Agent") for the benefit of the Notes Secured Parties, in consideration of the mutual covenants contained herein and benefits to be derived herefrom.

WHEREAS, Quiksilver, Inc. and QS Wholesale, Inc. (each a "Notes Issuer" and collectively the "Notes Issuers"), each other Grantor and Wells Fargo, National Association, in its capacities as collateral agent and trustee, have entered into an Indenture, dated as of the date hereof (the "Indenture"), pursuant to which the Notes Issuers will issue certain Notes (the holders of the Notes, the Collateral Agent and Wells Fargo Bank, National Association, as trustee, the "Notes Secured Parties");

WHEREAS, the Grantors have entered into a security agreement dated as of even date herewith (as amended, amended and restated, modified, supplemented or restated and in effect from time to time, the "Security Agreement"), pursuant to which each Grantor, grants a continuing security interest in and to substantially all of its assets as security for the payment or performance, as the case may be, in full of its respective Secured Obligations;

WHEREAS, the Grantors have entered into an Intellectual Property Security Agreement dated as of even date herewith (as amended, amended and restated, modified, supplemented or restated and in effect from time to time, the "IP Security Agreement") pursuant to which each Grantor grants a security interest in all of such Grantor's right, title and interest in, to and under the IP Collateral (as defined therein);

WHEREAS, the Intercreditor Agreement governs the relative rights and priorities of the Notes Secured Parties and the ABL Secured Parties in respect of the Notes Priority Collateral and the ABL Priority Collateral; and

NOW, THEREFORE, in consideration of the mutual conditions and agreements set forth in this Agreement, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors and the Collateral Agent, on behalf of the Notes Secured Parties (and each of their respective successors or assigns), hereby agree as follows:

SECTION 1. Defined Terms. Unless the context otherwise requires, all capitalized terms used but not defined herein shall have the meanings set forth in the IP Security Agreement or, if not defined in the IP Security Agreement, the Security Agreement.

SECTION 2. Grant of Security Interest. In furtherance and as confirmation of the Security Interest granted by each of the Grantors to the Collateral Agent, its successors and assigns, (for the benefit of the Notes Secured Parties) under the Security Agreement, and as further security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor hereby ratifies such Security Interest and grants to the Collateral Agent, its successors and assigns (for the benefit of the Notes Secured Parties) a security interest in all of such Grantor's right, title and interest in, to and under the following property, whether now owned or now due, or in which any Grantor has an interest, or hereafter acquired, arising, or to become due, or in which any Grantor obtains any interest and all products, Proceeds, substitutions, Accessions of or to the following property (collectively, the "Trademark

Collateral”);

(a) all trademarks, trade names, corporate names, company names, domain names, business names, fictitious business names, trade dress, trade styles, service marks, designs, logos and other source identifiers of any Grantor, whether registered or unregistered, including, without limitation, the United States trademark registrations and trademark applications listed on EXHIBIT A annexed hereto and made a part hereof, together with any goodwill of the business connected with, and symbolized by, any of the foregoing (collectively, the “Trademarks”);

(b) all agreements to which a Grantor is a party, whether written or oral, providing for the grant by or to any Grantor of any right under any Trademark;

(c) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect to any of the foregoing, including, without limitation, payments under all Trademark Licenses entered into in connection therewith and damages and payments for past or future infringements, misappropriations or dilutions thereof;

(d) the right to sue for past, present and future infringements, misappropriations, and dilutions of any of the foregoing; and

(e) all of the Grantors’ rights corresponding to any of the foregoing throughout the world.

provided, however, that the Trademark Collateral shall not include any Excluded Assets.

SECTION 3. Purpose. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest with the United States Patent and Trademark Office. Each Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable government officer record this Agreement. This Agreement is expressly subject to the terms and conditions of the IP Security Agreement. The IP Security Agreement (including the rights, remedies, powers, privileges and discretions of the Collateral Agent thereunder) shall remain in full force and effect in accordance with its terms. In the event that any provision of this Agreement is deemed to conflict with the IP Security Agreement, the provisions of the IP Security Agreement shall control.

SECTION 4. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually executed counterpart of this Agreement.

SECTION 6. Intercreditor Agreement. Notwithstanding anything herein to the contrary,

the liens, security interests and pledges granted to the Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement, the terms of the Intercreditor Agreement shall govern and control.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, the Grantors and the Collateral Agent have caused this Agreement to be executed by their duly authorized officers as of the date first above written.
