GRANT OF  
SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS (“Agreement”), effective as of July 1, 2013, is made by AOL Inc., a Delaware corporation, AOL Advertising Inc., a Maryland corporation, Buysight, Inc., a Delaware corporation, Patch Media Corporation, a Delaware corporation, Pictela, Inc., a Delaware corporation, TechCrunch, Inc., a Delaware corporation, TheHuffingtonPost.com, Inc., a Delaware corporation (collectively, the “Obligors”), in favor of JPMorgan Chase Bank, N.A., a national banking association, as Administrative Agent (the “Agent”) for the several banks and other financial institutions or entities (the “Lenders”), parties to the Credit Agreement, dated as of July 1, 2013 (as amended, supplemented or otherwise modified from time to time, the “Credit Agreement”), among AOL Inc., a Delaware Corporation (the “Borrower”), the Lenders from time to time parties thereto, and the Agent.

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make Loans and other extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein; and

WHEREAS, in connection with the Credit Agreement, the Borrower and certain of its subsidiaries have executed and delivered a Guarantee and Collateral Agreement, dated as of July 1, 2013, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the “Guarantee and Collateral Agreement”); and

WHEREAS, pursuant to the Guarantee and Collateral Agreement, the Obligors assigned, transferred and granted to the Agent for the benefit of the Agent and the Lenders a security interest in certain Intellectual Property, including the trademarks and trademark applications set forth on Schedule A hereto (the “Trademarks”).;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Borrower pursuant to the Credit Agreement, the Obligors agree, for the benefit of the Agent and the Lenders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Guarantee and Collateral Agreement.

SECTION 2. Grant of Security Interest. The Obligors hereby grant a security interest in all of the Obligors' right, title and interest in, to and under the Trademarks to the Agent for the benefit of the Agent and the Lenders to secure payment, performance and observance of the Obligations.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Obligors for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Lenders in connection with the Guarantee and Collateral Agreement and is expressly subject to the terms and conditions thereof. The Guarantee and Collateral Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Obligors do hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Trademarks granted hereby are more fully set forth in the Credit Agreement and the Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Guarantee and Collateral Agreement, the terms of the Guarantee and Collateral Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
