TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT dated as of September 30, 2013 (as may be amended, restated, supplemented or otherwise modified from time to time, this "Agreement"), is made by and between A10 Networks, Inc. (the "Borrower" and the "Grantor") and Royal Bank of Canada, as administrative agent (in such capacity, the "Administrative Agent").

Reference is made to (a) the Credit Agreement dated as of the date hereof (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Borrower, the lenders from time to time party thereto (the "Lenders") and the Administrative Agent and (b) the Collateral Agreement dated as of the date hereof (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among the Borrower, the other grantors from time to time party thereto and the Administrative Agent. The Lenders and the Issuing Banks have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The Grantor is willing to execute and deliver this Agreement in order to induce the Lenders to make Loans and the Issuing Banks to issue Letters of Credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement or the Credit Agreement, as applicable. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, the Grantor hereby grants to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the "Security Interest") in all of each such Grantor's right, title and interest in, to and under any Trademarks now owned or at any time hereafter acquired by such Grantor, including those registered or applied for Trademarks listed on Schedule I; provided that no security interest is granted on any intent-to-use trademark applications filed in the United States Patent and Trademark Office to the extent that, and solely during the period in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable Requirements of Law (the "Trademark Collateral"). The Grantor authorizes and requests that the Commissioner for Trademarks record this Agreement.

SECTION 3. Authorization to Supplement. If the Grantor shall obtain rights to any new Trademarks, the provisions of this Agreement shall automatically apply thereto. Concurrently with the delivery of each compliance certificate pursuant to Section 5.01(c) of the Credit Agreement, the Grantor shall give prompt notice in writing to Administrative Agent with respect to any such new Trademarks or renewal or extension of any Trademark registration. Without limiting the Grantor's obligations under this Section 3, the Grantor hereby authorizes the Administrative Agent to unilaterally modify this Agreement by amending Schedule I to include any such new Trademark rights of each Grantor. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule I shall in any way affect, invalidate or

detract from the Administrative Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

SECTION 4. Termination or Release. (a) This Agreement, the Security Interest and all other security interests granted hereby shall terminate when (i) all the Secured Obligations (including all LC Disbursements, if any, but excluding (x) unasserted contingent indemnification obligations and (y) Secured Cash Management Obligations and Secured Swap Obligations as to which arrangements reasonably satisfactory to the applicable Secured Party have been made), have been paid in full in cash, (ii) all Commitments have terminated or expired and (iii) the LC Exposure has been reduced to zero and the Issuing Banks have no further obligation to issue or amend Letters of Credit under the Credit Agreement.

(b) The Security Interest and all other security interests granted hereby shall also terminate and be released at the time or times and in the manner set forth in Section 9.15 of the Credit Agreement and Section 5.13 of the Collateral Agreement.

(c) In connection with any termination or release pursuant to paragraph (a) or (b) of this Section, the Administrative Agent shall execute and deliver to Grantor, at Grantor's expense, all documents that Grantor shall reasonably request to evidence such termination or release so long as Grantor shall have provided the Administrative Agent such certifications or documents as the Administrative Agent shall reasonably request in order to demonstrate compliance with this Section 4. Any execution and delivery of documents by the Administrative Agent pursuant to this Section 4 shall be without recourse to or warranty by the Administrative Agent.

SECTION 5. Collateral Agreement. The Security Interest granted to the Administrative Agent herein is granted in furtherance, and not in limitation, of the security interests granted to the Administrative Agent pursuant to the Collateral Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 6. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement
as of the day and year first above written.
