TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT**, dated as of October 4, 2013 (as amended, restated or otherwise modified from time to time, the "Trademark Security Agreement"), by and among the Grantors listed on the signature pages hereof (collectively, jointly and severally, "Grantors" and each individually "Grantor"), and **GARRISON LOAN AGENCY SERVICES LLC**, in its capacity as collateral agent for the Secured Parties (in such capacity, together with its successors and assigns in such capacity, the "Agent").

WITNESSETH:

WHEREAS, Grantors are party to a Pledge and Security Agreement dated as of October 4, 2013 (the "Security Agreement"), by and among each of the Grantors, the other grantors party thereto, and the Agent, pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Secured Parties to enter into the Credit Agreement, the Grantors hereby agree with the Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby unconditionally grants, collaterally assigns, and pledges to Agent for the benefit of the Secured Parties to secure the Secured Obligations, a continuing security interest in all of such Grantor's right, title, and interest in and to the following, whether now owned, existing or hereafter acquired or arising (collectively, the "Trademark Collateral"):

(a) (i) all of such Grantor's Trademarks and Trademark Licenses, including without limitation those referred to on Schedule I hereto, (ii) all extensions or renewals of any of the foregoing, (iii) all of the goodwill of the business connected with the use of and symbolized by the foregoing, and (iv) the right to sue for past, present and future infringement, dilution, or other violation of any of the foregoing or for any injury to goodwill; and

(b) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages and proceeds of suit.

Notwithstanding the foregoing, in no event shall the Trademark Collateral include or the security interest granted under Section 2 hereof attach to any "intent-to-use" application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. §1051, prior to the filing of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto; provided, that, upon such filing, the Trademark Collateral shall include, and the security interests granted under Section 2 hereof shall attach to, such intent-to-use application.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the Security Interest granted to the Agent for the Secured Parties pursuant to the Security Agreement and Grantors hereby acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to Agent or any Secured Party, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

SECTION 4. Authorization to Supplement. If any Grantor shall obtain rights to any new Trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantors shall give notice in writing to Agent in accordance with the terms of the Security Agreement with respect to any such new Trademarks or renewal or extension of any Trademark registration. Without limiting Grantors' obligations under this Section, Grantors hereby authorize Agent unilaterally to modify this Trademark Security Agreement by amending **Schedule I** to include any such new trademark rights of each Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend **Schedule I** shall in any way affect, invalidate or detract from Agent's continuing security interest in all Trademark Collateral, whether or not listed on **Schedule I**.

SECTION 5. Applicable Law. THIS TRADEMARK SECURITY AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, AND JUDICIAL REFERENCE SET FORTH IN SECTION 11 OF THE SECURITY AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, MUTATIS MUTANDIS.

SECTION 6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
