To the extent that Seller's rights under any Contract or Permit constituting a Purchased Asset, or any other Purchased Asset, may not be assigned to Buyer without the consent of another Person which has not been obtained, this Agreement shall not constitute an agreement to assign the same if an attempted assignment would constitute a breach thereof or be unlawful, and Seller, at its expense, shall use its reasonable best efforts to obtain any such required consent(s) as promptly as possible. If any such consent shall not be obtained or if any attempted assignment would be ineffective or would impair Buyer's rights under the Purchased Asset in question so that Buyer would not in effect acquire the benefit of all such rights, Seller, to the maximum extent permitted by law and the Purchased Asset, shall act after the Closing as Buyer's agent in order to obtain for it the benefits thereunder and shall cooperate, to the maximum extent permitted by Law and the Purchased Asset, with Buyer in any other reasonable arrangement designed to provide such benefits to Buyer. Section 2.11 Insurance and Liability Matters. In the event that Buyer assumes the Seller's general business and liability, product liability and umbrella coverage insurance policies in existence on the Closing Date, or is named as an additional insured with respect to such policies, Buyer shall cause Seller to remain an insured party or an additional insured with respect to such policies following the Closing Date, to the extent permitted under such policies. Seller has delivered to Buyer a true and complete copy of each Lease. With respect to each Lease:

(i) such Lease is valid, binding, enforceable and in full force and effect, and Seller enjoys peaceful and undisturbed possession of the Leased Real Property;

(ii) Except as set forth in **Section 4.10** of the Disclosure Schedules, Seller is not in breach or default under such Lease, and no event has occurred or circumstance exists which, with the delivery of notice, passage of time or both, would constitute such a breach or default, and Seller has paid all rent due and payable under such Lease;

(iv) Seller has not subleased, assigned or otherwise granted to any Person the right to use or occupy such Leased Real Property or any portion thereof; and

Neither the whole nor any material portion of any Leased Real Property has been damaged or destroyed by fire or other casualty.

(c) The Leased Real Property is sufficient for the continued conduct of the Business after the Closing in substantially the same manner as conducted prior to the Closing and constitutes all of the real property necessary to conduct the Business as currently conducted.

Without limiting the generality of the foregoing, Seller has entered into binding, written agreements with every current and former employee of Seller, and with every current and former independent contractor, whereby such employees and independent contractors (i) assign to Seller any ownership interest and right they may have in the Intellectual Property Assets; and (ii) acknowledge Seller's exclusive ownership of all Intellectual Property Assets. All Inventory is owned by Seller free and clear of all Encumbrances other than Permitted Encumbrances, and no Inventory is held on a consignment basis. The quantities of each item of Inventory (whether raw materials, work-in-process or finished goods) are not excessive, but are reasonable in the present circumstances of Seller.

Section 4.13 Accounts Receivable. The Accounts Receivable reflected on the Interim Balance Sheet and the Accounts Receivable arising after the date thereof (a) have arisen from bona fide transactions entered into by Seller involving the sale of goods or the rendering of services in the ordinary course of business consistent with past practice; (b) constitute only valid, undisputed claims of Seller not subject to claims of set-off or other defenses or counterclaims other than normal cash discounts accrued in the ordinary course of business consistent with past practice; and (c) subject to a reserve for bad debts shown on the Interim Balance Sheet or, with respect to Accounts Receivable arising after the Interim Balance Sheet Date, on the accounting records of the Business, are collectible in full within 90 days after billing. The reserve for bad debts shown on the Interim Balance Sheet or, with respect to Accounts Receivable arising after the Interim Balance Sheet Date, on the consolidated accounting records of the Seller and Subsidiary have been estimated in good faith based on the anticipated collectibility of the accounts.
