## Trademark Security Agreement

**Trademark Security Agreement**, dated as of September 30, 2013, by AZEK Building Products, Inc., Scranton Products Inc., TimberTech Limited, and Vast Enterprises, LLC (the “Pledgors”), in favor of DEUTSCHE BANK AG NEW YORK BRANCH, in its capacity as administrative agent and collateral agent pursuant to the Credit Agreement (in such capacity, the “Administrative Agent and Collateral Agent”).

### WITNESSETH:

WHEREAS, the Pledgors are party to a ABL Guarantee and Collateral Agreement dated as of September 30, 2013 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “ABL Security Agreement”) in favor of the Administrative Agent and Collateral Agent pursuant to which the Pledgors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Administrative Agent and Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Pledgors hereby agree with the Administrative Agent and Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Pledgor hereby pledges and grants to the Administrative Agent and Collateral Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Pledged Collateral of such Pledgor:

- (a) Trademarks of such Pledgor listed on Schedule I attached hereto;
- (b) all goodwill associated with such Trademarks; and
- (c) all proceeds of any and all of the foregoing (other than Excluded Assets).

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent and Collateral Agent pursuant to the ABL Security Agreement and Pledgors hereby acknowledge and affirm that the rights and remedies of the Administrative Agent and Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the ABL Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Tern Loan Security Agreement, the provisions of the ABL Security Agreement shall control unless the

Administrative Agent and Collateral Agent shall otherwise determine.

SECTION 4. Termination. Upon the Termination Date or such other date as Pledged Collateral may be released pursuant to Section 7.15 of the ABL Security Agreement, the Administrative Agent and Collateral Agent shall execute, acknowledge, and deliver to the Pledgors an instrument in writing in recordable form releasing the collateral, grant, assignment, lien and security interest pledged and granted in and to all of its right, title and interest in, to and under the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.
