WHEREAS, pursuant to that certain Credit Agreement dated December 27, 2013 (as at any time amended, restated, supplemented or otherwise modified, the "Credit Agreement"), by and among the Big Time Products, Administrative Agent, other Loan Parties and Lenders, the Lenders have agreed to make certain financial accommodations to Big Time Products subject to the terms and conditions set forth therein;

WHEREAS, pursuant to that certain Pledge and Security Agreement dated December 27, 2013 (as at any time amended, restated, supplemented or otherwise modified, the "Security Agreement"), by and among the Big Time Products, as borrower, Holdings, as guarantor, and Administrative Agent, each Grantor has agreed to, among other things, grant to Administrative Agent, for the benefit of itself and the Secured Parties, a continuing security interest in all of such Grantor's intellectual property, including, without limitation, all of such Grantor's trademarks and related rights, to secure all obligations and liabilities owing from time to time from any Grantor to the Lenders under the Credit Agreement, the Security Agreement, or otherwise; and

WHEREAS, each Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce Lenders to make extensions of credit to Big Time Products pursuant to the Credit Agreement, each Grantor agrees with Administrative Agent, for the benefit of the Secured Parties, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings given such terms or provided by reference in the Security Agreement.

2. Notice of Grant of Security Interest. Pursuant to the Security Agreement, each Grantor assigns and grants to Administrative Agent, to secure the prompt and complete payment and performance of all Secured Obligations, a security interest in all of its right, title and interest in, to and under such Grantor's Trademarks, including, without limitation, all trademarks (including service marks), trade names, trade dress, and trade styles and the registrations and applications for registration thereof and the goodwill of the business symbolized by the foregoing listed on Schedule A hereto.

3. Purpose. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Administrative Agent in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security

Agreement (and all rights and remedies of Administrative Agent thereunder) shall remain in full force and effect in accordance with its terms.

4. Acknowledgment. Grantor does hereby further acknowledge and affirm that the rights and remedies of Administrative Agent with respect to the security interest in the Trademarks granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including, without limitation, the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.
