**QUITCLAIM ASSIGNMENT AND RELEASE OF TRADEMARK
COLLATERAL ASSIGNMENT**

This agreement dated December 19, 2013, is by and between Conn-Selmer, Inc. ("Conn-Selmer"), formerly known as The Selmer Company, Inc. ("The Selmer Company") and Ally Commercial Finance LLC ("Ally"), successor-in-interest to BNY Financial Corporation ("BNY"). For good and valuable consideration, the receipt and sufficiency of which is acknowledged, the parties hereby agree as follows:

1. The parties confirm that the (Selmer) Amended and Restated Trademark Collateral Assignment agreement between The Selmer Company, now known as Conn-Selmer, and BNY, predecessor in interest to Ally, dated May 25, 1995, and recorded in the US Patent and Trademark Office at Reel/Frame 1411/0815 on November 13, 1995 (the "TCA Agreement"), was intended solely as a grant of a security interest in the trademarks as set forth in the TCA Agreement (the "Trademarks"), and not as an assignment of any ownership interest of any kind in the Trademarks.
2. To the extent that the TCA Agreement may be interpreted in any manner as a transfer or assignment of any ownership rights in the Trademarks from The Selmer Company to BNY, to remove any doubt, Ally hereby confirms that it currently holds no, and has not held in the past any, ownership rights of any kind in the Trademarks, other than a security interest, and that it quitclaims any such ownership rights.
3. Ally hereby terminates the TCA Agreement, releases the security interest relating to the Trademarks, including those identified on Exhibit A hereto, and relinquishes to Conn-Selmer and its related entities the continuing security interest in and lien on the Trademarks and otherwise assigns, grants and conveys to Conn-Selmer and its related entities any and all rights Ally may have in or to the Trademarks in order to vest in Conn-Selmer and its related entities full and unencumbered title to said Trademarks.

IN WITNESS WHEREOF, Ally Commercial Finance LLC has caused this Quitclaim Assignment and Release of Trademark Collateral Assignment to be executed by its duly authorized signatory this 19th day of December, 2013.
