TRADEMARK SECURITY AGREEMENT
(Trademarks, Trademark Registrations, Trademark Applications and Trademark Licenses)

TRADEMARK SECURITY AGREEMENT dated as of March 31, 2014, among Flint Trading, Inc., a North Carolina corporation, Ennis Paint, Inc., a Texas corporation, EBERLE DESIGN, INC., an Arizona corporation and Reno A&E, LLC, a Delaware limited liability company (each a "**Grantor**"), and CREDIT SUISSE AG, as Collateral Agent.

WHEREAS, each Grantor owns, or in the case of licenses is a party to, the Trademark Collateral (as defined below);

WHEREAS, Road Infrastructure Investment, LLC (the "Borrower"), Road Infrastructure Investment Midco, LLC, the Lenders party thereto, and Credit Suisse AG, as Collateral Agent and Administrative Agent, are parties to a First Lien Credit Agreement dated as of March 31, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**");

WHEREAS, pursuant to (i) a First Lien Guarantee and Collateral Agreement dated as of March 31, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**Guarantee and Collateral Agreement**") among the Borrower, the Guarantors party thereto and Credit Suisse AG, as Collateral Agent for the Secured Parties referred to therein (in such capacity, together with its successors in such capacity, the "**Grantee**") and (ii) certain other Security Documents (including this Trademark Security Agreement), each Grantor has guaranteed certain obligations of the Borrower and secured such guarantee (each "**Grantor's Secured Guarantee**") by granting to the Grantee for the benefit of such Secured Parties a continuing security interest in the Collateral of such Grantor, including all right, title and interest of such Grantor in, to and under the Trademark Collateral (as defined below); and

WHEREAS, terms defined in the Guarantee and Collateral Agreement (or whose definitions are incorporated by reference in Section 1 of the Guarantee and Collateral Agreement) and not otherwise defined herein have, as used herein, the respective meanings provided for therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, subject to and upon the terms and conditions contained in the Guarantee and Collateral Agreement, each Grantor, on behalf of itself and any predecessor in interest with respect to any Trademark Collateral, hereby grants to the Grantee, to secure such Grantor's Secured Guarantee, a continuing lien on and security interest in all of such Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "**Trademark Collateral**"), whether now owned or existing or hereafter acquired or arising:

(i) each United States Trademark constituting Recordable Intellectual Property owned by such Grantor, including, without limitation, each such Trademark registration and application referred to in Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark;

(ii) each Trademark License to which such Grantor is a party, including, without limitation, each such Trademark License identified in Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark licensed pursuant thereto; and

(iii) all Proceeds of and revenues from the foregoing;

provided that, notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include any Excluded Property.

THE PARTIES HERETO AUTHORIZE AND REQUEST THAT THE COMMISSIONER OF PATENTS AND TRADEMARKS OF THE UNITED STATES RECORD THIS SECURITY INTEREST IN THE TRADEMARK COLLATERAL.

The foregoing security interest is granted in conjunction with the security interests granted by each Grantor to the Grantee pursuant to the Guarantee and Collateral Agreement. Each Grantor acknowledges and affirms that the rights and remedies of the Grantee with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the provisions of this Trademark Security Agreement and the provisions of the Guarantee and Collateral Agreement, the provisions of the Guarantee and Collateral Agreement shall govern.

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be duly executed by its respective officer thereunto duly authorized as of the date first written above.
