Intellectual Property Assignment

This Intellectual Property Assignment (this "Assignment") is effective as of 12:03am Eastern Time on January 17, 2014 (the "Effective Time"), by and between BioFire Defense, LLC, a Delaware limited liability company ("Transferor"), and BioFire Diagnostics, LLC, a Delaware limited liability company ("Transferee"). Capitalized terms used but not otherwise defined herein shall have the meanings given to such terms in the Asset Transfer Agreement (defined below).

WHEREAS, Transferor and Transferee are parties to that certain Asset Transfer Agreement being executed simultaneously with the execution of this Assignment (as the same may be amended from time to time in accordance with its terms, the "Transfer Agreement"), pursuant to which, and subject to the terms and conditions set forth therein, Transferor has agreed to transfer, convey, assign and deliver to Transferee, and Transferee has agreed to acquire and accept from Transferor, all of Transferor's right, title and interest in and to, the intellectual property included in the Transferred Assets, including the patents and applications therefore, trademarks, service marks and domain names listed on Schedule I hereto and copyrights and know how

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Transferor and Transferee hereby agree as follows:

1. Assignment of Acquired Intellectual Property. On the terms and subject to the conditions of the Transfer Agreement, Transferor hereby sells, transfers, conveys, assigns and delivers to Transferee, and Transferee hereby purchases, acquires and accepts from Transferor, all of Transferor's right, title and interest in and to, the intellectual property included in the Transferred Assets, including the patents and applications therefore, trademarks, service marks and domain names listed on Schedule I hereto and copyrights and know how.

2. Transfer Agreement. This Assignment is being executed and delivered pursuant and subject to the Transfer Agreement. Nothing in this Assignment shall, or shall be deemed to, defeat, limit, alter, impair, modify, enhance or expand any right, obligation, claim, protection or remedy under the Transfer Agreement. In the event of any conflict between this Assignment and the Transfer Agreement, the Transfer Agreement shall control.

3. Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their respective successors, assigns, and affiliates, but shall not be assignable by either party hereto without the prior written consent of the other party hereto.

4. Further Assurances. Each of Transferor and Transferee shall execute and deliver any and all agreements, instruments and other documents and take any and all actions as may be necessary or desirable to confirm and evidence the transfer of the Transferred Assets and the other transactions contemplated by this Agreement. If at any time after the date hereof the parties identify an asset that should have been a Transferred Asset but was not transferred to Transferee hereunder the parties shall take any and all actions as may be necessary or desirable to transfer such asset to Transferee for no consideration.

5. Applicable Law. This Agreement shall be governed and construed in accordance with the laws of the State of Delaware, without regard to the laws that might be applicable under conflicts of laws principles of Delaware or any other jurisdiction.

6. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument. Any signature page delivered via facsimile or electronic transmission (e.g., PDF file) shall be binding to the same extent as an original signature page. Any party that delivers such a signature page agrees to later deliver an original counterpart to any party that requests it.

[Signatures follow on next page]

IN WITNESS WHEREOF, the parties have duly executed this Assignment as of the Effective Time.
