OP \$40.00 3142483

Declaration of Pamela S. Chestek

I, Pamela S. Chestek, declare as follows:

1. On September 4, 2014, I filed with the Assignments Branch of the Patent and Trademark Office a "Change of Name" form against Reg. No. 3142483 with an effective date of August 31, 2014. The form was recorded at reel/frame 5356/0364.
2. I filed it in error. The GNOME Foundation had not changed its name and no document at all should have been recorded.
3. This Declaration is to clarify that the document recorded at reel/frame 5356/0364 is meaningless and has no effect on the chain of title for Reg. No. 3142483.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on September 29, 2014.

Pamela S. Chestek
