INTELLECTUAL PROPERTY SECURITY AGREEMENT (SECOND LIEN)

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (SECOND LIEN) (as amended, amended and restated, supplemented or otherwise modified from time to time (this "Agreement"), dated as of September 30, 2014, is made by each of the signatories hereto (the "Grantors"), in favor of Barclays Bank PLC, as Administrative Agent (in such capacity, the "Administrative Agent") for the Secured Parties (as defined in the Credit Agreement (as defined below)). Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement and the Collateral Agreement (as defined below).

WHEREAS, Hardware Midco LLC, a Delaware limited liability company, HBC Holdings LLC, a Delaware limited liability company ("HBC Holdings"), Howard Berger Co. LLC, a Delaware limited liability company ("HBC"), HBC Chemical LLC, a Delaware limited liability company ("HBC Chemical"), One Middlesex Warehousing LLC, a Delaware limited liability company ("OMW"), Wordlock, Inc., a California corporation ("Wordlock"), HBC/FQ LLC, a Delaware limited liability company ("HBC/FQ"), Handy Holdings LLC, a Delaware limited liability company ("HHI"), Handy Hardware LLC, a Delaware limited liability company ("HHLLC"), Plumbing Holdings Corporation, a Delaware corporation ("PHC"), Jones Stephens Corp., an Alabama corporation ("JSC" and together with HBC Holdings, HBC, HBC Chemical, OMW, Wordlock, HBC/FQ, HHI, HHLLC and PHC, each a "Borrower" and collectively, the "Borrowers"), the Administrative Agent and the Lenders from time to time party thereto have entered into the Second Lien Term Loan Credit Agreement, dated as of September 30, 2014 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), pursuant to which the Lenders have severally agreed to make Loans for the account of the Borrowers pursuant to, and upon the terms and subject to the conditions specified therein and the Lender Counterparties to enter into Cash Management Obligations and Swap Agreements.

WHEREAS, in connection with the Credit Agreement, the Grantors have entered into the Guaranty and Collateral Agreement (Second Lien) dated as of September 30, 2014 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Collateral Agreement") in order to induce the Lenders to extend credit and the Lender Counterparties to enter into Cash Management Obligations and Swap Agreements.

WHEREAS, under the terms of the Collateral Agreement, the Grantors have granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this Agreement for recording with the United States Patent and Trademark Office, the United States Copyright Office and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to the Administrative Agent for the ratable benefit of the Secured Parties a security interest in all of such Grantor's right, title and interest in and to the following (the "Collateral"):

- (a) the Patents (as defined in the Collateral Agreement) set forth on Schedule A hereto;
- (b) the Trademarks (as defined in the Collateral Agreement) set forth on Schedule B hereto; and

(c) the Copyrights (as defined in the Collateral Agreement) set forth on Schedule C hereto.

SECTION 2. Security for Obligations. The grant of a security interest in the Collateral by each Grantor under this Agreement secures the payment of all Obligations of such Grantor now or hereafter existing under or in respect of the Loan Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Obligations and that would be owed by such Grantor to any Secured Party under the Loan Documents but for the fact that such Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Loan Party.

SECTION 3. Recordation. This Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office and the United States Copyright Office. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks record this Agreement.

SECTION 4. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart to this Agreement by facsimile transmission or other electronic transmission (including by “.pdf” or “.tif”) shall be as effective as delivery of a manually signed original.

SECTION 5. Grants Rights and Remedies. This Agreement has been entered into in conjunction with the provisions of the Collateral Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Administrative Agent with respect to the Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 6. Governing Law. This Agreement shall be governed by, and construed in accordance with the laws of the State of New York.

SECTION 7. Severability. In case any one or more of the provisions contained in this Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Collateral Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

[Remainder of Page Intentionally Blank]

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
