TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT dated as of September 30, 2014 (as it may be amended, restated, supplemented or otherwise modified from time to time, this "Agreement"), is made by and among TRICO PRODUCTS CORPORATION, a New York Corporation, AVM INDUSTRIES, LLC an Ohio Limited Liability Company, CARTER FUEL SYSTEMS, LLC, a Delaware Limited Liability Company (the "Grantors", and each individually, a "Grantor") JEFFERIES FINANCE LLC, as administrative agent (in such capacity, the "Administrative Agent").

Reference is made to (a) the Second Lien Term Loan Credit Agreement, dated as of September 30, 2014 (as it may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), by and among Crowne Group Holdings, LLC a Delaware limited liability company, Crowne Group, LLC a Delaware limited liability company, (the "Borrower"), the Lenders identified therein and the Administrative Agent and each of the other parties party thereto from time to time and (b) the Second Lien Term Loan Guaranty, Pledge and Security Agreement, dated as of September 30, 2014 (as it may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), among the Borrower, each of the other Grantors identified therein and the Administrative Agent. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The Grantor is an Affiliate of the Borrower and is willing to execute and deliver this Agreement in order to induce the Lenders to make additional Loans and as consideration for Loans previously made. Accordingly, the parties hereto agree as follows:

Section 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement or the Credit Agreement, as applicable. The interpretive provisions set forth in Section 1.03 of the Credit Agreement shall apply hereto, *mutatis mutandis*.

Section 2. Grant of Security Interest. To secure the prompt payment and performance, in full when due of the Secured Obligations, the Grantor hereby grants to the Administrative Agent, for the benefit of the holders of the Secured Obligations, a security interest (the "Security Interest") in all of the Grantor's right, title and interest in, to and under Collateral consisting of any Trademarks arising under the Laws of the United States now owned or at any time hereafter acquired by the Grantor, including those registered or applied for Trademarks listed on Schedule I; provided that no security interest is granted on any intent-to-use trademark applications filed in the United States Patent and Trademark Office to the extent that, and solely during the period in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable Requirements of Law or other Excluded Property (the "Trademark Collateral"). The Grantor authorizes and requests that the Commissioner for Trademarks record this Agreement.

Section 3. Security Agreement. The Security Interest granted to the Administrative Agent herein is granted in furtherance, and not in limitation, of the security interests granted to the Administrative Agent pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

Section 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this

Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement.

Section 5 Termination. Upon the termination of the Security Agreement in accordance with its terms, or any disposition of the Trademark Collateral in a transaction permitted under the Credit Agreement, following a written request therefor, the Administrative Agent shall execute, acknowledge, and deliver to the Grantor (at the Grantor's sole expense) an instrument in writing in recordable form releasing the grant and security interest in the applicable Trademark Collateral under this Agreement and take any other actions reasonably requested by the Grantor to effect such release.

Section 6. GOVERNING LAW. This Agreement is made under and governed by the laws of the State of New York applicable to contracts made and to be performed entirely within such State, without regard to conflicts of law principles.

Section 7. INTERCREDITOR AGREEMENT. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE LIENS AND SECURITY INTERESTS GRANTED TO THE ADMINISTRATIVE AGENT PURSUANT TO THIS AGREEMENT IN ANY COLLATERAL AND THE EXERCISE OF ANY RIGHT OR REMEDY BY THE ADMINISTRATIVE AGENT WITH RESPECT TO ANY COLLATERAL HEREUNDER ARE SUBJECT TO THE PROVISIONS OF THE INTERCREDITOR AGREEMENT (AS DEFINED IN THE CREDIT AGREEMENT). IN THE EVENT OF ANY CONFLICT BETWEEN THE TERMS OF THE INTERCREDITOR AGREEMENT AND THIS AGREEMENT, THE TERMS OF THE INTERCREDITOR AGREEMENT SHALL GOVERN AND CONTROL.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.

GRANTORS:

AVM INDUSTRIES, LLC
