SECURITY INTEREST IN TRADEMARKS

This GRANT OF SECURITY INTEREST IN TRADEMARKS (this "Agreement"), dated as of November 13, 2014, is made by Pabst Brewing Company, LLC, a Delaware limited liability company (the "Grantor"), in favor of UBS AG, Stamford Branch, as collateral agent (in such capacity, the "Collateral Agent") for the several banks and other financial institutions (the "Lenders") from time to time parties to the Second Lien Credit Agreement, dated as of November 13, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified, replaced or refinanced from time to time, the "Second Lien Credit Agreement"), among Blue Ribbon Intermediate Holdings, LLC, a Delaware limited liability company ("Holdings"), Blue Ribbon, LLC (the "Borrower"), the Lenders party thereto, and the Collateral Agent, as the Administrative Agent and the Collateral Agent.

W I T N E S S E T H:

WHEREAS, pursuant to the Second Lien Credit Agreement, the Lenders have severally agreed to make loans to the Borrower;

WHEREAS, in connection with the Second Lien Credit Agreement, each Grantor, Holdings, the Borrower and any Subsidiaries that become a party thereto, have executed and delivered a Second Lien Security Agreement, dated as of November 13, 2014 in favor of the Collateral Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Second Lien Security Agreement");

WHEREAS, pursuant to the Second Lien Security Agreement, Grantor has pledged and granted to the Collateral Agent for the benefit of the Collateral Agent and the Secured Parties continuing security interest in all Intellectual Property, including the Trademarks, that are not Excluded Property; and

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make loans, Grantor agrees, for the benefit of the Collateral Agent and the Secured Parties as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Second Lien Credit Agreement and the Second Lien Security Agreement.

2. Grant of Security Interest. Grantor hereby grants a security interest in all of Grantor's right, title and interest in, to and under the Trademarks that are not Excluded Property (including, without limitation, those items listed on Schedule A hereto), including the goodwill associated with such Trademarks and the right to receive all Proceeds therefrom (collectively, the "Collateral"), to the Collateral Agent for the benefit of the Secured Parties as collateral security for payment and performance when due of the Obligations; provided that, applications in the United States Patent and Trademark Office to register trademarks or service marks on the basis of Grantor's "intent to use" such trademarks or service marks will not be deemed to be Collateral unless and until an amendment to allege use or a statement of use has been filed and accepted by the United States Patent and Trademark Office, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral.

3. Purpose. This Agreement has been executed and delivered by Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Secured Parties in connection with

the Second Lien Security Agreement and is expressly subject to the terms and conditions thereof. The Second Lien Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

4. Acknowledgment. Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Second Lien Credit Agreement and the Second Lien Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Second Lien Security Agreement, the terms of the Second Lien Security Agreement shall govern.

5. Counterparts. This Agreement may be executed in counterparts (including by facsimile or other electronic transmission), each of which will be deemed an original, but all of which together constitute one and the same original.

6. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

7. Intercreditor Agreement. Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the Collateral Agent pursuant to this Agreement are expressly subject and subordinate to the liens and security interests granted in favor of the Senior Secured Parties (as defined in the First Lien/Second Lien Intercreditor Agreement), including liens and security interests granted to UBS AG, STAMFORD BRANCH, as administrative agent, pursuant to or in connection with the First Lien Credit Agreement, dated as of November 13, 2014 (as amended, restated, supplemented or otherwise modified from time to time), among BLUE RIBBON INTERMEDIATE HOLDINGS, LLC, a Delaware limited liability company, BLUE RIBBON, LLC, a Delaware limited liability company, the lenders from time to time party thereto and UBS AG, STAMFORD BRANCH, as administrative agent and collateral agent, and the other parties thereto, and (ii) the exercise of any right or remedy by the Collateral Agent hereunder is subject to the limitations and provisions of the First Lien/Second Lien Intercreditor Agreement. In the event of any conflict between the terms of the First Lien/Second Lien Intercreditor Agreement and the terms of this Agreement, the terms of the First Lien/Second Lien Intercreditor Agreement shall govern and control.
