Except as set forth in Schedule C (the Disclosure Schedule), the Vendor and the Principal jointly and severally represent and warrant to and in favour of the Purchaser as follows and acknowledge and confirm that the Purchaser is relying on these representations and warranties in connection with the execution and delivery of this Agreement and in completing the transactions contemplated by this Agreement:

5.1 Corporate Status and Authority

(a) Status of the Vendor: The Vendor is a company duly incorporated, organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and has never been dissolved or liquidated or, to the Vendor's knowledge, declared inactive. The Vendor has all requisite corporate power, capacity and authority to carry on the Business as it is now being conducted, to own, lease and operate the Assets now owned, leased and operated by it and to enter into, carry out the transactions contemplated by and duly observe and perform all its obligations contained in this Agreement. The Vendor is duly qualified, licensed and registered to do business and to own, lease and operate the Assets and is in good standing in every jurisdiction in which the character of the Business or the nature of the Assets owned, leased or operated by it makes such qualification, licence or registration necessary.

(b) Due Authorization: The execution and delivery of this Agreement and all documents, instruments and agreements required to be executed and delivered by the Vendor pursuant to this Agreement, and the completion of the transactions contemplated by this Agreement, have been duly authorized by all necessary corporate action on the part of the Vendor. (d) All Assets Used in Business: The Assets constitute all of the material assets, other than the buildings and those assets listed as Excluded Assets in Schedule D, that are usually and ordinarily used in connection with, or otherwise necessary to operate the Business, excluding the Excluded Assets. The machinery, equipment, and other tangible assets (whether owned or leased) included in the Assets are, except for ordinary wear and tear, in good condition and repair, and usable in the ordinary course of the Business.
