TRADEMARK ASSIGNMENT

THIS ASSIGNMENT has an effective date of JANUARY 1, 2009 and is made by Channel Distribution, Inc., a California corporation having an address at 26229 Enterprise Court, Lake Forest, California 92630 (hereafter, together with any successors, legal representatives, or assigns thereof, "ASSIGNOR") to DrCollins, Inc., a California corporation having an address at 26231 Dimension Drive, Lake Forest, California 92630 (hereafter, together with any successors, legal representatives, or assigns thereof, "ASSIGNEE").

WHEREAS, ASSIGNOR owns the right, title and interest in, to and under the marks set forth in Schedule A (hereafter "Trademarks");

WHEREAS, ASSIGNEE desires to acquire the Trademarks and translations, transliterations, derivations, adaptations, or variations thereto;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

ASSIGNOR hereby sells, assigns, transfers, conveys, endorses, grants and delivers, and hereby sets over unto ASSIGNEE the full and exclusive right, title and interest in, to and under the Trademarks, as well as any translation, transliteration, derivation, adaptation, or variation, together with the goodwill associated therewith, including all registrations, applications, and common law rights therefor in the United States of America, its territorial possessions, and any and all foreign countries under national laws or under the provisions of the International Convention for the Protection of Industrial Property (Paris Convention), the Madrid system for the international registration of marks (Madrid System), or any other international treaty equivalent thereof (hereafter "the World"); including any renewals and extensions of the registrations that are or may be secured under the laws of the World, now or hereafter in effect, for ASSIGNEE's own use and enjoyment, and for the use and enjoyment of ASSIGNEE's successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had this assignment and sale not been made, together with all income, royalties, or payments due or payable as of the time of this Assignment or thereafter, including, without limitation, all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Trademarks, with the right to sue for and collect the same for ASSIGNEE's own use and enjoyment and for the use and enjoyment of its successors, assigns, or other legal representatives.

ASSIGNOR hereby covenants and agrees to perform any lawful action when deemed essential by and to ASSIGNEE's full enjoyment, protection, enforcement and title in, to and under the Trademarks and rights hereby transferred, including, but not limited to, promptly communicating and providing any and all known and accessible facts, data or any other pertinent information; promptly executing and delivering any and all papers, documents, forms, declarations, oaths, affidavits or any other legal instrument; promptly assisting and participating in any and all depositions, hearings, proceedings, trials, appeals, or any other legal procedure; promptly testifying under oath in any and all interference, post grant review, litigation or any other administrative or judicial proceeding; and promptly completing any and all actions necessary or desirable to carry out any and all purposes thereof, relating to any and all proceedings in connection with the submission, procurement, registration, maintenance, enforcement or defense of the Trademarks and rights hereby transferred.

IN TESTIMONY WHEREOF, I hereunder set my hand this 1st day of DECEMBER, 2014.
