(formerly Towers, Perrin, Forster & Crosby, Inc.), a Pennsylvania corporation and Towers Perrin Capital Corporation, a Delaware corporation (collectively, "Assignors"), and JLT Re (North America) Inc., a Delaware corporation ("JLT NA"), and JLT Reinsurance Brokers Limited, a UK company ("JLT UK") on its behalf and on behalf of its Affiliates (JLT NA and JLT UK each an "Assignee" and collectively, the "Assignees"). Capitalized terms used herein but not otherwise defined herein shall have the meanings set forth in the Purchase Agreement (as defined below).

WHEREAS, Towers Watson & Co. ("Towers Watson") and JLT NA entered into that certain Stock and Asset Purchase Agreement, dated September 19, 2013 (the "Purchase Agreement"), pursuant to which Towers Watson agreed to sell and JLT NA agreed to purchase certain assets, rights and properties of the Business (as such term is defined in the Purchase Agreement);

WHEREAS, Assignors are the owner of the entire right, title and interest in, to and under those trademarks shown in Schedule A in respect of all goods and services covered by the specifications thereof whether registered or unregistered including trademark get-ups, logos, designs and labels, together with the associated goodwill and all common law and related rights thereto in all jurisdictions of the world where Assignor has rights (collectively, the "Marks");

WHEREAS, pursuant to Section 2.2(c) of the Purchase Agreement, Assignors wish to assign to the respective Assignee shown in Schedule A, and Assignees wish to acquire from Assignors, all right, title and interest in and to the Marks; and

NOW, THEREFORE, in consideration of the covenants and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the parties agree as follows:

1. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign, transfer and convey to the respective Assignee their entire right, title and interest in and to the Marks including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of any country, including common law, now or hereafter in effect, for the respective Assignee's own use and enjoyment, and for the use and enjoyment of the respective Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignors if this Assignment had not been made, together with the goodwill symbolized by such Marks, and with the right to sue and collect damages and/or profits for past infringements of said Marks.

2. Assignors will from time to time, at the request of the respective Assignee, execute and deliver, or cause its Affiliates to execute and deliver, such other instruments of conveyance and transfer and take such other actions as the respective Assignee may reasonably

3. Except as set forth in the Purchase Agreement, Assignors make no warranty, express or implied, with respect to the Marks involved in this Assignment.

4. Assignors hereby agree and represent that the assignment of these Marks is made in connection with the sale and assignment from Assignor to Assignees of the portion of Assignor's business to which the Marks pertain and that the respective Assignee shall be deemed a successor-in-interest to the portion of Assignor's business relating to the Marks for trademark purposes. Assignees acknowledges that Assignees shall bear sole responsibility for recording this assignment and otherwise corresponding with the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable jurisdiction.

5. This Assignment shall be governed by and construed in accordance with the laws of the State of New York, without regard to the conflicts of law rules of such state. With respect to any suit, action or proceeding relating to this Assignment (each, a "Proceeding"), each party hereto irrevocably (i) agrees and consents to be subject to the exclusive jurisdiction of the United States District Court for the Southern District of New York or any New York State court sitting in New York City and (ii) waives any objection which it may have at any time to the laying of venue of any Proceeding brought in any such court, waives any claim that such Proceeding has been brought in an inconvenient forum and further waives the right to object, with respect to such Proceeding, that such court does not have any jurisdiction over such party. Each of the parties agrees that service of any process, summons, notice or document by U.S. registered mail to such party's or their Affiliates respective address as set forth in Section 10.1 of the Purchase Agreement shall be deemed in every respect effective service of process upon such party in any such action, suit or proceeding in New York, with respect to any matters to which it has submitted to jurisdiction as set forth above in the immediately preceding sentence.

6. This Assignment may be executed in counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party, it being understood that the parties need not sign the same counterpart.

IN WITNESS WHEREOF, each party has caused this Assignment to be executed as of the date first written above by its duly authorized officer.
