**TRADEMARK SECURITY AGREEMENT**

TRADEMARK SECURITY AGREEMENT (this “**Agreement**”), dated as of February 26, 2015, between the Grantor identified on the signature page hereto, and Deutsche Bank Trust Company Americas, as collateral agent (the “**Collateral Agent**”).

Reference is made to the Non-Principal Properties (All Assets) Security Agreement dated as of February 26, 2015 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), among certain subsidiaries of iHeartCommunications, Inc. (f/k/a Clear Channel Communications, Inc.), a Texas corporation (the “**Issuer**”), and Deutsche Bank Trust Company Americas, as Collateral Agent. The Secured Parties’ agreements in respect of the issuance of the Notes are set forth in the Indenture dated as of February 26, 2015 (as amended, supplemented or otherwise modified from time to time, the “**Indenture**”), among the Issuer, certain subsidiaries of the Issuer from time to time party thereto, iHeartMedia Capital I, LLC (f/k/a Clear Channel Capital I, LLC), a Delaware limited liability company, U.S. Bank National Association, as trustee (the “**Trustee**”), and Deutsche Bank Trust Company Americas, as Collateral Agent, pursuant to which the Issuer issued 10.625% Priority Guarantee Notes due 2023 (the “**Notes**”). Unless the context requires otherwise, for all purposes of this Agreement, references to “Note” or “Notes” include any Additional Notes that are actually issued. The Grantor party hereto is an affiliate of the Issuer and will derive substantial benefits from the issuance of the Notes pursuant to the Indenture and is willing to execute and deliver this Agreement as a condition to the issuance of the Notes. Accordingly, the parties hereto agree as follows:

Section 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in the Section 1.04 of the Indenture also apply to this Agreement.

Section 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, the Grantor, pursuant to and in accordance with the Security Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”):

- (a) all trademarks, service marks, trade names, corporate names, trade dress, logos, designs, fictitious business names, other source or business identifiers, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applica-

tions in the USPTO, and all extensions or renewals thereof, as well as any unregistered trademarks and service marks used by the Grantor, including those listed on Schedule I, and (b) all goodwill connected with the use of and symbolized by such marks; provided that the grant of security interest shall not include any trademark, service mark or other application for registration that may be deemed invalidated, canceled or abandoned due to the grant and/or enforcement of such security interest unless and until such time that the grant and/or enforcement of the security interest will not affect the validity of such trademark, service mark or other application for registration.

Section 3. Termination. This Agreement is made to secure the satisfactory performance and payment of the Secured Obligations. This Agreement and the security interest granted hereby shall terminate with respect to all of the Grantor's Secured Obligations and any lien arising therefrom shall be automatically released upon termination of the Security Agreement or release of such Grantor's obligations thereunder. The Collateral Agent shall, in connection with any termination or release herein or under the Security Agreement, execute and deliver to the Grantor as such Grantor may request, an instrument in writing releasing the security interest in the Trademark Collateral acquired under this Agreement. Additionally, upon such satisfactory performance or payment, the Collateral Agent shall reasonably cooperate with any efforts made by the Grantor to make of record or otherwise confirm such satisfaction including, but not limited to, the release and/or termination of this Agreement and any security interest in, to or under the Trademark Collateral.

Section 4. Supplement to the Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

Section 5. Representations and Warranties. The Grantor represents and warrants to the Collateral Agent and the Secured Parties, that a true and correct list of all of the existing material Trademark Collateral consisting of U.S. Trademark registrations or applications owned by such Grantor, in whole or in part, is set forth in Schedule I.

Section 6. Miscellaneous. As applicable, the provisions of Article VI of the Security Agreement are hereby incorporated by reference.
