GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS

THIS GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS (“Agreement”), dated as of March 30, 2015 is made by each of the Grantors listed on the signature pages hereto (each, a “Grantor” and collectively, the “Grantors”), in favor of JPMorgan Chase Bank, N.A., a national banking association, as administrative agent (the “Administrative Agent”) for the several banks and other financial institutions (the “Lenders”) parties to the Amended and Restated Credit Agreement, dated as of February 20, 2015 (as amended, supplemented or otherwise modified from time to time, the “Credit Agreement”), among DreamWorks Animation SKG, Inc., a Delaware corporation (“DW Animation”), the Lenders and letter of credit issuers parties thereto and the Administrative Agent.

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make Loans and other extensions of credit to DW Animation upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, DW Animation and the other grantors party thereto have executed and delivered a Guarantee and Collateral Agreement, dated as of August 10, 2012 (as amended and modified by the first amendment, dated as of August 7, 2013, the second amendment, dated as of December 11, 2014 and the third amendment, dated as of January 22, 2015, and as the same shall be further amended, supplemented or otherwise modified from time to time, the “Guarantee and Collateral Agreement”), in favor of the Administrative Agent; and

WHEREAS, each Grantor has duly authorized the execution, delivery and performance of this Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to DW Animation pursuant to the Credit Agreement, each Grantor agrees, for the benefit of the Administrative Agent and the Lenders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement or the Guarantee and Collateral Agreement, as applicable.

SECTION 2. Grant of Security Interest. Each Grantor hereby pledges and grants a continuing security interest in, and right of setoff against, and agrees to assign, transfer and convey, upon demand made upon the occurrence and during the continuance of an Event of Default without requiring further action by either party and to be effective upon such demand, all of such Grantor’s right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Schedule A hereto) (collectively, the “Collateral”), to the Administrative Agent for the benefit of the Administrative Agent and the Lenders to secure payment, performance and observance of the Obligations; provided, however, that the term “Collateral” shall not include any Excluded Property.

SECTION 3. Purpose. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Lenders in connection with the Guarantee and Collateral Agreement and is expressly subject to the terms and conditions thereof. The Guarantee and Collateral Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Guarantee and Collateral Agreement, the terms of the Guarantee and Collateral Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
