THIRD AMENDED AND RESTATED
INTELLECTUAL PROPERTY SECURITY AGREEMENT

This THIRD AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of April 2, 2015 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, this "Third Intellectual Property Security Agreement"), by and among each of the signatories hereto (collectively, the "Grantors") in favor of Credit Suisse AG, as administrative agent (in such capacity, the "Administrative Agent") for the Secured Parties (as defined in the Credit Agreement referred to below), amends and restates in full the Second Amended and Restated Intellectual Property Security Agreement, dated as of May 19, 2010 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time prior to the date hereof, the "Second Intellectual Property Security Agreement"), which Second Intellectual Property Security Agreement amended and restated in full the Amended and Restated Intellectual Property Security Agreement, dated as of May 10, 2004 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time prior to the date of the Second Intellectual Property Security Agreement, the "Original Intellectual Property Security Agreement").

WHEREAS, Regal Cinemas Corporation, a Delaware corporation ("Borrower"), has entered into a Seventh Amended and Restated Credit Agreement, dated as of April 2, 2015 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), with the banks and other financial institutions and entities from time to time party thereto (the "Lenders"), and Administrative Agent. Undefined capitalized terms used herein have the meanings assigned to them in the Credit Agreement.

WHEREAS, the Grantors have executed and delivered that certain Second Amended and Restated Guaranty and Collateral Agreement, dated as of May 19, 2010, in favor of Administrative Agent (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Guaranty and Collateral Agreement").

WHEREAS, under the terms of the Credit Agreement, the Guaranty and Collateral Agreement constituted, and such Lien and security interest continues to constitute, a fully-perfected Lien on, and security interest in, all right, title and interest of Borrower and each Guarantor in the Intellectual Property Collateral (as defined below) and the proceeds and products thereof, as security for the Obligations (as defined in the Guaranty and Collateral Agreement), in each case prior and superior in right to any other Person (except Permitted Liens).

WHEREAS, each Grantor and Administrative Agent have agreed to amend and restate the Original Intellectual Property Security Agreement and the Second Intellectual Property Security Agreement, in renewal, amendment, restatement and modification of, but not in extinguishment or novation of, the obligations thereunder, to ensure continuing security for the payment and performance of each Grantor's Obligations under and as defined herein.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors agree as follows:

SECTION 1. Grant of Security. Each Grantor hereby confirms and reaffirms the grant of the security interest heretofore granted by it under the Original Intellectual Property Security Agreement and Second Intellectual Property Security Agreement, agrees that such Liens continue to secure such Grantor's Obligations under the Credit Agreement and, for the avoidance of doubt but without

in any manner limiting, qualifying, prejudicing or otherwise affecting the previous grant by such Grantor under the Original Intellectual Property Security Agreement or the Second Intellectual Property Security Agreement, hereby grants to Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in and to all of such Grantor's right, title and interest in and to the following (the "Intellectual Property Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor's Obligations:

(a) (i) all trademarks, service marks, trade names, corporate names, company names, business names, trade dress, trade styles, logos, or other indicia of origin or source identification, trademark and service mark registrations, and applications for trademark or service mark registrations and any new renewals thereof, including, without limitation, each registration and application identified in Schedule 1(a), (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each of the above (collectively, the "Trademarks");

(b) (i) all patents, patent applications and patentable inventions, including, without limitation, each patent and patent application identified in Schedule 1(b), (ii) all inventions and improvements described and claimed therein, (iii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (v) all reissues, divisions, continuations, continuations-in-art, substitutes, renewals, and extensions thereof, all improvements thereon and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto (collectively, the "Patents");

(c) (i) all copyrights, whether or not the underlying works of authorship have been published, and all works of authorship and other intellectual property rights therein, all copyrights of works based on, incorporated in, derived from or relating to works covered by such copyrights, all right, title and interest to make and exploit all derivative works based on or adopted from works covered by such copyrights, and all copyright registrations and copyright applications, and any renewals or extensions thereof, including, without limitation, each registration and application identified in Schedule 1(c), (ii) the rights to print, publish and distribute any of the foregoing, (iv) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (v) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto ("Copyrights");

(d) (i) all trade secrets and all confidential and proprietary information, including know-how, manufacturing and production processes and techniques, inventions, research and development information, technical data, financial, marketing and business data, pricing and cost information, business and marketing plans, and customer and supplier lists and information, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection

therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto (collectively, the “Trade Secrets”);

(e) (i) all licenses or agreements, whether written or oral, providing for the grant by or to any Grantor of: (A) any right to use any Trademark or Trade Secret, (B) any right to manufacture, use or sell any invention covered in whole or in part by a Patent, and (C) any right under any Copyright including, without limitation, the grant of rights to manufacture, distribute, exploit and sell materials derived from any Copyright including, without limitation, any of the foregoing identified in Schedule 1(d), (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations of any of the foregoing, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto; and

(f) any and all proceeds of the foregoing.

SECTION 2. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable government officer record this Third Intellectual Property Security Agreement.

SECTION 3. Execution in Counterparts. This Third Intellectual Property Security Agreement may be executed in any number of counterparts (including by telecopy), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

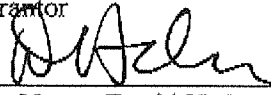

SECTION 4. Governing Law. This Third Intellectual Property Security Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

SECTION 5. Conflict Provision. This Third Intellectual Property Security Agreement has been entered into in conjunction with the provisions of the Guaranty and Collateral Agreement and the Credit Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Guaranty and Collateral Agreement and the Credit Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Third Intellectual Property Security Agreement are in conflict with the Guaranty and Collateral Agreement or the Credit Agreement, the provisions of the Guaranty and Collateral Agreement or the Credit Agreement shall govern.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have caused this Third Intellectual Property Security Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first written above.
