TRADEMARK SECURITY AGREEMENT

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, GANDER MOUNTAIN COMPANY, a Minnesota corporation, and GANDER MOUNTAIN DIRECT, INC., a North Carolina corporation (each individually, a “Grantor,” and collectively, the “Grantors”), hereby grant to PATHLIGHT CAPITAL LLC, in its capacity as the collateral agent under the Security Agreement referred to below (in such capacity, the “Grantee”), a continuing security interest in (i) all of the Grantors’ right, title and interest in, to and under to the United States trademarks, trademark registrations and use based trademark applications (the “Marks”) set forth on Schedule A attached hereto, (ii) all proceeds and products of the Marks, (iii) the goodwill of the businesses with which the Marks are associated and (iv) all causes of action arising prior to or after the date hereof for infringement of any of the Marks or unfair competition regarding the same.

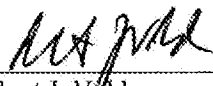

THIS grant of a security interest set forth in this Trademark Security Agreement (this “Agreement”) is made to secure the satisfactory performance and payment of all the Secured Obligations of the Grantors, as such term is defined in the Security Agreement by, among others, the Grantors and the Grantee, dated as of June 17, 2015 (as amended, restated, supplemented or otherwise modified and in effect from time to time, the “Security Agreement”). The rights and remedies of the Grantee with respect to the security interest granted herein are as set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Agreement are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern. The Grantors, the Grantee and the other Credit Parties (as such term is defined in the Security Agreement, the “Credit Parties”) acknowledge that the exercise of certain of the Grantee’s rights and remedies hereunder may be subject to, and restricted by, the provisions of the Intercreditor Agreement (as such term is defined in the Security Agreement, the “Intercreditor Agreement”). In the event of

any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall control. The Grantee, on behalf of itself and the other Credit Parties, acknowledges and agrees that it and the other Credit Parties shall be bound by the terms and conditions of the Intercreditor Agreement.
