Defined terms used but not defined herein shall have the meanings attributed to such terms in the Credit Agreement or Security Agreement, as applicable.

Pursuant to the Security Agreement, the Grantors granted to Agent a security interest in the Grantors' right, title, and interest in the trademarks and trademark applications listed on the schedules attached hereto (the "Trademarks").

The Commitments under the Credit Agreement have been paid in full and terminated as of June 18, 2015, and all Obligations (other than contingent indemnification obligations as to which no claim had been asserted) have been paid and satisfied in full, or otherwise provided for as accordance with Section 10.10(b)(iii) of the Credit Agreement.

Accordingly, Agent hereby releases to the Grantors and terminates all right, title and interest that Agent has in and to the Trademarks and all proceeds of the foregoing; and all general intangibles associated with the foregoing, including without limitation, all goodwill associated in any way with such Trademarks; the right to sue for past, present and future infringements, and all rights corresponding thereto associated with such Trademarks.

This Release of Security Interest in Trademarks is being executed and delivered by Agent in accordance with Section 10.10(b)(iii) of the Credit Agreement, and without representations or warranties of any kind.

This Release of Security Interest in Trademarks shall be governed by and construed in accordance with the laws of the State of New York without regard to conflicts of law principles.
