This **TRADEMARK SECURITY AGREEMENT**, dated as of June 26, 2015 (as amended, restated, supplemented or otherwise modified from time to time, this “**Trademark Security Agreement**”), is made by each entity identified as grantors on the signature pages hereto (individually, a “**Grantor**” and collectively, the “**Grantors**”) in favor of Jefferies Finance LLC, as Administrative Agent and Collateral Agent for the Secured Parties (in such capacities and together with its successors and permitted assigns, the “**Administrative Agent**”).

**WHEREAS**, each Grantor is a party to a Security Agreement, dated as of June 26, 2015 (as amended, restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) among each Grantor, the other Grantors party thereto, and the other grantors party thereto and the Administrative Agent pursuant to which each Grantor granted a security interest to the Administrative Agent in the Trademark Collateral (as defined below) and are required to execute and deliver this Agreement.

**NOW, THEREFORE**, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each Grantor hereby agrees with the Administrative Agent as follows:

### SECTION 1. DEFINED TERMS

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

### SECTION 2. GRANT OF SECURITY INTEREST

Each Grantor, as security for the payment and performance in full of the Secured Obligations of such Grantor (including, if such Grantor is a Guarantor, the Secured Obligations of such Grantor arising under the Guaranty), hereby pledges to the Administrative Agent, its successors and permitted assigns, for the benefit of the Secured Parties, and hereby grants to the Administrative Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”); *provided*, that the Trademark Collateral shall not include any Excluded Assets:

(i) all trademarks, service marks, trade names, corporate names, trade dress, logos, designs, fictitious business names other source or business identifiers, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in *connection therewith, including registrations and registration applications in the United States Patent and Trademark Office (“USPTO”)*, including the registrations and registrations applications listed in Schedule A hereto, or any similar offices in any State of the United States or any political subdivision thereof, and all extensions or renewals thereof, as well as any unregistered trademarks and service marks used by a Grantor; and (b) all goodwill connected with the use thereof and symbolized thereby,

(ii) all renewals and extensions thereof, rights to sue or otherwise recover for infringements or other violations thereof,

(iii) all rights corresponding to the foregoing throughout the world, and

(iv) to the extent not otherwise included, all Proceeds, products, accessions, rents and profits of any and all of the foregoing.

**SECTION 2.1 Certain Limited Exclusions.** Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2.1 hereof attach to any “intent-to-use” application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing, and acceptance by the USPTO, of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

### **SECTION 3. SECURITY AGREEMENT**

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Administrative Agent for the Secured Parties pursuant to the Security Agreement, and each Grantor hereby acknowledges and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. ### **SECTION 4. RECORDATION**

Each Grantor hereby authorizes and requests that the USPTO record this Trademark Security Agreement.

### **SECTION 5. TERMINATION**

This Agreement shall terminate and the lien on and security interest in the Trademark Collateral shall be released upon the payment and performance of the Secured Obligations (other than any outstanding indemnification obligations). Upon the termination of this Agreement, the Administrative Agent shall execute all documents, make all filings, and take all other actions reasonably requested by each Grantor to evidence and record the release of the lien on and security interests in the Trademark Collateral granted herein.
