ASSIGNMENT OF TRADEMARKS

This ASSIGNMENT OF TRADEMARKS (this "Assignment"), effective the 18 day of August, 2009, is made and entered into by and between D-M-E Company, a Delaware corporation ("DME"; the "Assignor"), and DME Company LLC, a Delaware limited liability company, having its principal place of business at 29111 Stephenson Highway, Madison Heights, Michigan 48071 (the "Assignee"), a wholly-owned subsidiary of Milacron LLC, a Delaware Corporation ("Milacron LLC") (Assignor and Assignee each a "party," and collectively, the "parties"). Capitalized terms used herein but not otherwise defined herein shall have the meanings set forth in the Purchase Agreement (as defined below).

WHEREAS, Assignor and Milacron LLC entered into that certain Purchase Agreement, dated as of May 3, 2009, as amended (the "Purchase Agreement"), pursuant to which Assignor has agreed to sell and Milacron LLC has agreed to purchase the Purchased Assets from Assignor, including all right, title and interest in and to the Owned Intellectual Property, including, without limitation, those trademarks and service marks, trademark and service mark registrations, and trademark and service mark applications set forth on Schedule A hereto (all such marks (including any and all goodwill symbolized by any of the foregoing) referred to collectively as the "Trademarks");

WHEREAS, Assignor is the owner of each of the Trademarks; and

WHEREAS, the execution and delivery of this Assignment is a condition to Closing.

NOW, THEREFORE, in consideration of the promises and the representations, warranties, agreements and covenants set forth in the Purchase Agreement, and intending to be legally bound, Assignor and Assignee hereby agree as follows:

1. Assignment. Effective upon Closing, Assignor hereby sells, assigns and transfers to Assignee, and Assignee hereby accepts the sale, assignment and transfer of, all right, title and interest in and to the Trademarks, as further described in the Purchase Agreement.

2. Further Assurances. (a) Assignor shall, at the request and expense of Assignee, timely execute and deliver any additional documents and perform such additional acts that may be necessary or desirable to assist Assignee (or its successors, assigns or legal representatives) in the implementation, recordation or perfection of this Assignment and Assignee's interest in and to the Trademarks and any other marks and registrations and applications for such marks within the Owned Intellectual Property, including without limitation, in the (i) preparation and prosecution of any application for registration of the Trademarks, and (ii) prosecution or defense of any interference, opposition, cancellation, infringement or other Action that may arise in connection with any of the Trademarks, including testifying as to any facts relating to the Trademarks and this Assignment.

(b) If Assignee is unable for any reason to secure Assignor's signature to any document it is entitled to under Section 2 hereof, Assignor hereby irrevocably designates and

appoints Assignee, and Assignee's duly authorized officers, agents and representatives, as its agents and attorneys-in-fact with full power of substitution to act for and on the behalf and instead of Assignor, to execute and file any such document or documents and to do all other lawfully permitted acts to further the purposes of this Assignment with the same legal force and effect as if executed by Assignor. Assignor shall not enter into any agreement in conflict with this Assignment.

3. Due Authorization. Assignor hereby authorizes and requests the Commissioner of Trademarks of the United States and any other official of any applicable Governmental Authority to issue any and all registrations from any and all applications for registration included in the Trademarks to and in the name of Assignee.

4. Governing Law. This Assignment shall be governed by, and construed in accordance with, the Laws of the State of New York and, to the extent applicable, the Bankruptcy Code and the CCAA.

5. Counterparts. This Assignment may be executed and delivered (including by facsimile transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement.
