TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (“Trademark Assignment”) is entered into as of September 16, 2015, by and between Baby Bytes Studios, LLC, a Colorado limited liability company having a mailing address of 2555 South Adams St., Denver, CO 80210 (“Assignor”) to JoyBox Studios, Inc. a Delaware corporation having a mailing address of 7555 South Flanders St., Centennial, Colorado (“Assignee”).

WHEREAS, Assignor is the owner of all rights, title and interest, including, without limitation, common law trademark rights in and to the trade names, logos, trademarks, service marks and other designations of origin for (i) the trademarks and service marks, and applications for registration in the United States therefor, listed in Exhibit A; (ii) the trademarks, and registrations in the United States therefor, listed in Exhibit B, and (iii) the trademarks, and international registrations therefor, listed in Exhibit C (collectively referred to as the “Marks”);

WHEREAS, Assignor’s business in the nature of developing and selling software applications; audio, video and multimedia content; printed materials; and educational and entertaining media, games and toys, is ongoing and existing and Assignor uses the Marks in connection therewith.

WHEREAS, This Trademark Assignment is being entered into pursuant to that certain Contribution Agreement dated September 16, 2015 (the “Effective Date”), by and between Assignor and Assignee (the “Contribution Agreement”)

WHEREAS, Assignee as a successor to the ongoing and existing business of Assignor to which the Marks pertain desires to acquire all right, title and interest in and to the Marks.

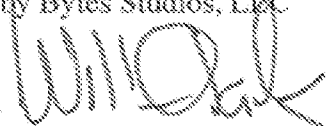

NOW, THEREFORE, for good and valuable consideration set forth in the Contribution Agreement, the receipt and sufficiency of which is hereby acknowledged, the parties intending to be legally bound, hereby agree as follows:

1. As of the Effective Date, Assignor hereby assigns and transfers to Assignee, as a successor to the ongoing and existing business of Assignor to which the Marks pertain, all right, title and interest in and to the Marks, together with the goodwill symbolized by and associated with said Marks, including all registrations therefor (as detailed on Exhibits A, B and C) and all common law rights therein and all other rights associated with the ongoing and existing business to which the Marks pertain; and any and in and to any and all causes of action (either in law or in equity), as well as the right to enforce any rights and file any causes of action, including the right to recover damages, for any past, present, or future infringement, misappropriation and/or dilution of the Marks.
2. Assignor hereby agrees to execute, acknowledge and deliver any and all documents and to take such other and further actions as are reasonably necessary to transfer and assign the Mark to Assignee, and to make a record of such assignment, including, without limitation, recording this Assignment with the United States Patent and Trademark Office and recording the change of ownership at the World Intellectual Property Organization, as appropriate.

IN WITNESS WHEREOF, this Assignment is executed by the undersigned this 16th day of September, 2015.
