**WHEREAS** the parties to the Loan Agreement contemplate and intend that, if an Event of Default (as defined in the Loan Agreement) shall occur and be continuing, the Agent shall have all rights of a secured party in and to the Trademarks and any proceeds thereof, including, without limitation, the right to exercise its remedies under the Loan Agreement in connection with all of the Grantor's right, title and interest in the Trademarks;

This Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

This Security Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single agreement.
