TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of January 6, 2016, is made by and among each of the entities listed on the signature pages hereof (each a “Grantor” and, collectively, the “Grantors”), in favor of Wilmington Trust, National Association (“Wilmington”), as Agent under the Term Loan Agreement (as defined below) (in such capacity, together with its successors and permitted assigns, “Collateral Agent”) for the Secured Parties (as defined below).

WITNESSETH:

WHEREAS, pursuant to the Term Loan Agreement, dated as of January 6, 2016 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “Term Loan Agreement”), by and among the Borrower, Holdings, the other Guarantors, Wilmington, as Agent, each Grantor has agreed, pursuant to a Guarantee and Security Agreement, dated as of January 6, 2016, in favor of Collateral Agent (as such agreement may be amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”), to guarantee the Secured Obligations (as defined in the Security Agreement) of the Borrower; and

WHEREAS, all of the Grantors are party to the Security Agreement pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises, each Grantor hereby agrees with Collateral Agent for the benefit of the Secured Parties (as defined in the Security Agreement) as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby mortgages, pledges and hypothecates to Collateral Agent for the benefit of the Secured Parties, and grants to Collateral Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the “Trademark Collateral”):

(a) all United States trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, slogans, logos, certification marks, trade dress, and other source or business identifiers, whether registered or unregistered, including all registrations and recordations thereof and all applications for registration thereof (whether statutory or common law), and all goodwill of the business connected with the use of and symbolized by any of the foregoing, including those required to be listed on Schedule 1 hereto;

(b) all renewals and extensions of the foregoing; and

(c) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

(d) Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2 hereof attach to any "intent-to-use" application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would void such intent-to-use application or impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

Section 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to Collateral Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and IP Licenses subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

SECTION 6. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HERETO SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.
