INTELLECTUAL PROPERTY ASSIGNMENT AND LICENSE AGREEMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT AND LICENSE AGREEMENT (this "Agreement"), dated as of March 1, 2016 is by and between Assurant, Inc., a Delaware corporation, ("Assurant") and Union Security Insurance Company, a company organized under the laws of Kansas ("USIC") (collectively "Assignors") and Sun Life Assurance Company of Canada, a stock life insurance company organized under the Insurance Companies Act (Canada) ("Assignee").

RECITALS

WHEREAS, Assurant and Assignee have entered into a Master Transaction Agreement, dated as of September 9, 2015 (the "MTA"), whereby Assignee will, among other things, acquire the Business and certain assets of the Assignors;

WHEREAS, Assignors own all right, title and interest in and to the Intellectual Property set forth on Schedule A attached hereto and all other Transferred Intellectual Property (collectively, the "IP Assets");

WHEREAS, Assignors wish to assign to Assignee, and Assignee wishes to accept, the assignment of the IP Assets as provided in this Agreement; and

[REDACTED]

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

Section 1. Definitions. Capitalized terms used but not otherwise defined herein shall be used as defined in the MTA.

Section 2. Assignment.

(a) Assignors hereby grant, sell, assign, convey, transfer and deliver to Assignee, its successors and assigns forever, without any restrictions, limitations or reservations and free and clear of all Liens, all right, title and interest in and to the IP Assets throughout the world, as fully and entirely as the same would have been held and enjoyed by Assignors had this assignment not been made, including: (i) any and all rights or priority thereto and renewals thereof as may now or hereafter be granted to them by law, (ii) all goodwill related thereto, (iii) all rights to sue, counterclaim and recover damages and profits and all other remedies for claims of past, present and future infringement or misappropriation thereof, and (iv) all income, royalties, damages, and payments now or hereafter due or payable with respect to the IP Assets.

(b) Assignors hereby agree to, and shall cause their Affiliates to, execute such documents and other papers and perform such further acts as may be reasonably requested by Assignee to register, enforce, maintain or otherwise give full effect to and perfect the rights of

Assignee under this Assignment, including all documents necessary to register in the name of Assignee the assignment of the IP Assets with the United States Patent & Trademark Office, the United States Copyright Office, or with any other appropriate foreign or international office or registrar. With respect to any domain names that are included in the IP Assets and Registered in the name of Assignors or their respective Affiliates (other than the Transferred Companies), Assignors shall (i) promptly arrange with the applicable domain name registrars for the transfer to Assignee of the registrations of such domain names, (ii) maintain and renew all of such registrations at Assignee's expense until the time of such transfer; and (iii) maintain, until the time of such transfer, the websites located at such domain names.

[REDACTED]

Section 4. Ownership. Assignors, on behalf of themselves and their respective Affiliates and permitted assigns, hereby acknowledge and agree that they shall not at any time file any application to register, or otherwise claim ownership of, or challenge Assignee's ownership of, anywhere in the world, the IP Assets. Nothing in this Section 4 shall be construed to prohibit Assignors from exercising their rights under Applicable Law with respect to the Intellectual Property owned by them (as of the date hereof or in the future).

Section 5. Successors. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.
