INTELLECTUAL PROPERTY ASSIGNMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT (this "Assignment"), effective as of December 22, 2015 (the "Effective Date"), is entered into by and between Biosafe Environmental Services, Inc., a Maine business corporation with a mailing address of 17 Patrick Drive Westbrook, Maine 04092 ("Assignor"), and Bios, Inc., a Maine business corporation ("Assignee" and, together with Assignor, the "Parties" and each, individually, a "Party").

WITNESSETH:

WHEREAS, Assignor owns the service mark BIOS, together with federal registration therefor, Registration No. 4053551 (the "Mark"); and

WHEREAS, Assignee is desirous of acquiring all worldwide right, title and interest in, to and under the Mark.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound hereby, agree as follows:

1. Assignment of Rights. Assignor hereby irrevocably conveys, transfers and assigns to Assignee all worldwide right, title and interest in and to the Mark, together with all rights of action accrued, accruing and to accrue under and by virtue hereof, including all right to sue or otherwise recover for past infringement and to receive all damages, payments, costs and fees associated therewith. The assignment of the Mark granted herein includes an assignment of all goodwill associated therewith.

2. Further Assurances. Upon the request and at the expense of Assignee, Assignor shall execute and deliver any and all instruments and documents and take such other future actions as may be necessary or reasonably requested by Assignee to document the aforesaid assignment and transfer or to enable Assignee to secure, register, maintain, enforce and otherwise fully protect its rights in and to the Mark.

3. Parties in Interest. This Assignment shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, successors and assigns.

4. Entire Agreement. This Assignment contains the entire agreement of the Parties hereto with respect to the subject matter hereof and supersede all prior understandings and agreements of the Parties with respect thereto.

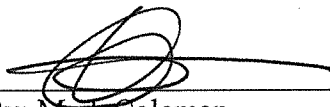

5. Amendments. This Assignment may not be amended except by the written agreement of the Parties hereto.

6. Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument. This Assignment shall become effective when each Party to this Assignment shall have received a counterpart hereof signed by the other Party to this Assignment.

7. Severability; Enforcement. If the application of any one or more of the provisions of this Assignment shall be unlawful under applicable law and regulation, then the Parties will attempt in good faith to make such alternative arrangements as may be legally permissible and which carry out as nearly as practicable the terms of this Assignment. Should any portion of this Assignment be deemed to be unenforceable by a court of competent jurisdiction, the remaining portion hereof shall remain unaffected and be interpreted as if such unenforceable portions were initially deleted.

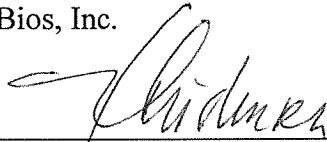

IN WITNESS WHEREOF, the Parties hereto have duly executed and delivered this Assignment as of the Effective Date.
