**FIRST AMENDMENT TO
INTELLECTUAL PROPERTY SECURITY AGREEMENT**

This First Amendment to Intellectual Property Security Agreement (this "First Amendment") is made as of September 19, 2016, by and among (a) each of the Persons party hereto as a "Grantor" (each such Person, individually, a "Grantor" and, collectively, the "Grantors"), and (b) Wells Fargo Bank, National Association (as successor by merger to Wells Fargo Retail Finance, LLC), as collateral agent (in such capacity, the "Collateral Agent") for the ratable benefit of the Credit Parties, in consideration of the mutual covenants contained herein and benefits to be derived herefrom.

WITNESSETH:

WHEREAS, reference is made to that certain Intellectual Property Security Agreement, dated as of April 11, 2008 (as amended, modified, supplemented or restated and in effect from time to time, the "IP Security Agreement"), by and among the Grantors and the Collateral Agent, pursuant to which, among other things, the Grantors granted to the Collateral Agent, for the ratable benefit of the Credit Parties, a continuing security interest in and to the IP Collateral (as defined therein); and

WHEREAS, the Grantors have advised the Collateral Agent that certain of the Grantors have acquired additional IP Collateral;

WHEREAS, the Grantors and the Collateral Agent now wish to amend, modify and supplement the IP Security Agreement, as more particularly set forth in this First Amendment.

NOW, THEREFORE, in consideration of the premises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Definitions. All capitalized terms used herein and not otherwise defined shall have the same meaning herein as in the IP Security Agreement or the Credit Agreement (as applicable).
2. Amendments to IP Security Agreement.
 - (a) Section 4 of the IP Security Agreement is hereby amended by deleting the phrase "as of the date hereof" in each instance where it appears in such Section and replacing such phrase with "as of the Third Amendment Effective Date".
 - (b) The provisions of the IP Security Agreement are hereby amended by supplementing **EXHIBIT A** thereto by adding to such **EXHIBIT A** the **EXHIBIT A-1** annexed hereto, and the IP Collateral described in Section 2(a) of the IP Security Agreement shall be deemed to include the Copyrights and Copyright Licenses described on such **EXHIBIT A-1** (collectively, the "New Copyrights"). For purposes of clarity, such **EXHIBIT A-1** shall be deemed to supplement, rather than replace, **EXHIBIT A** annexed to the IP Security Agreement.

- (c) The provisions of the IP Security Agreement are hereby amended by supplementing **EXHIBIT B** thereto by adding to such **EXHIBIT B** the **EXHIBIT B-1** annexed hereto, and the IP Collateral described in Section 2(b) of the IP Security Agreement shall be deemed to include the Patents and Patent Licenses described on such **EXHIBIT B-1** (collectively, the “New Patents”). For purposes of clarity, such **EXHIBIT B-1** shall be deemed to supplement, rather than replace, **EXHIBIT B** annexed to the IP Security Agreement.
 - (d) The provisions of the IP Security Agreement are hereby amended by supplementing **EXHIBIT C** thereto by adding to such **EXHIBIT C** the **EXHIBIT C-1** annexed hereto, and the IP Collateral described in Section 2(c) of the IP Security Agreement shall be deemed to include the Trademarks and Trademark Licenses described on such **EXHIBIT C-1** (collectively, the “New Trademarks”, and together with the New Copyrights and the New Patents, collectively, the “New IP”). For purposes of clarity, such **EXHIBIT C-1** shall be deemed to supplement, rather than replace, **EXHIBIT C** annexed to the IP Security Agreement.
3. Ratification of Security Interest. In furtherance and as confirmation of the security interest granted by such Grantors to the Collateral Agent (for the ratable benefit of the Credit Parties) under the Security Agreement, and as further security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor hereby grants to the Collateral Agent (for the ratable benefit of the Credit Parties) a continuing security interest, with a power of sale (which power of sale shall be exercisable only following the occurrence of an Event of Default), in all of the present and future right, title and interest of such Grantor in and to the New IP, together with all of such Grantor’s assets of the type described in Section 2 of the IP Security Agreement relating to the New IP, as well as all products, proceeds, substitutions, and accessions of or to the foregoing (collectively, the “New IP Collateral”).
4. Effect on IP Security Agreement. Except as specifically provided herein, all of the terms and conditions of the IP Security Agreement shall remain in full force and effect. Each Grantor hereby ratifies, confirms, and reaffirms all representations, warranties, and covenants contained therein. Without limiting the generality of the foregoing, each Grantor hereby acknowledges, confirms and agrees that all IP Collateral (including the New IP Collateral) shall continue to secure the Secured Obligations.
5. Miscellaneous.
- (a) This First Amendment may be executed in several counterparts and by each party on a separate counterpart, each of which when so executed and delivered shall be an original, and all of which together shall constitute one instrument. An executed facsimile or electronic copy of this First Amendment shall be effective for all purposes as an original hereof.
 - (b) The IP Security Agreement, as amended by this First Amendment, expresses the entire understanding of the parties with respect to the transactions contemplated

hereby. No prior negotiations or discussions shall limit, modify, or otherwise affect the provisions hereof.

- (c) Any determination that any provision of this First Amendment or any application hereof is invalid, illegal or unenforceable in any respect and in any instance shall not affect the validity, legality, or enforceability of such provision in any other instance, or the validity, legality or enforceability of any other provisions of this First Amendment.
- (d) This First Amendment and all rights and obligations hereunder, including matters of construction, validity, and performance, shall be governed by the law of the State of Massachusetts.

IN WITNESS WHEREOF, the Grantors and the Collateral Agent have caused this First Amendment to be executed by their duly authorized officers as of the date first above written.
