INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**IP Security Agreement**”), dated October 1, 2016, is among the Persons listed on the signature pages hereof (collectively, the “**Grantors**”) and JPMorgan Chase Bank, N.A., as collateral agent (the “**Collateral Agent**”) for the Secured Parties (as defined in the Credit Agreement referred to below).

WHEREAS, Coty Inc., a Delaware corporation (the “Parent Borrower”), has entered into the Credit Agreement, dated as of October 27, 2015, with the Lenders party thereto from time to time, the Collateral Agent and JPMorgan Chase Bank, N.A., as administrative agent (in such capacity, the “**Administrative Agent**”), and the other parties thereto from time to time (as amended by the Incremental Assumption Agreement and Amendment No. 1 to Credit Agreement, dated as of April 8, 2016, among the Parent Borrower, certain subsidiaries of the Parent Borrower party thereto, the Lenders party thereto and the Administrative Agent, and as further amended, amended and restated, restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”). Terms defined in the Credit Agreement or in the Security Agreement (as defined below) and not otherwise defined herein are used herein as defined in the Credit Agreement or the Security Agreement, as the case may be (and in the event a term is defined differently in the Credit Agreement and the Security Agreement, the applicable definition shall be the one given to such term in the Security Agreement).

WHEREAS, in order to induce the making of Loans by the Lenders from time to time and the issuance of Letters of Credit by the Issuing Banks from time to time, the entry into Swap Agreements by certain Secured Parties from time to time and the entry into arrangements the obligations under which constitute Deposit Obligations by certain Secured Parties from time to time, each Grantor has executed and delivered that certain Pledge and Security Agreement, dated October 27, 2015, among certain Grantors and certain other subsidiaries of Parent Borrower party thereto from time to time, as grantors, and the Collateral Agent (as supplemented by the Joinder Agreement and as otherwise supplemented, amended, amended and restated or otherwise modified from time to time, the “**Security Agreement**”) or has become party to such Security Agreement as a grantor pursuant to a Joinder Agreement, dated as of June 1, 2016 (the “**Joinder Agreement**”), among Coty Brands Management Inc. and certain other subsidiaries of Parent Borrower party thereto;

WHEREAS, under the terms of the Security Agreement, the Grantors have granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain Intellectual Property of the Grantors, and have agreed thereunder to execute this IP Security Agreement for recording with the United States Patent and Trademark Office, the United States Copyright Office and any other appropriate domestic governmental authorities, as applicable.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. To secure the prompt and complete payment and performance of all Secured Obligations, each Grantor hereby pledges, assigns and grants to the Collateral Agent, on behalf of and for the benefit of the Secured Parties, a security interest in all of such Grantor's right, title and interest in and to all Intellectual Property to the extent governed by, arising under, pursuant to, or by virtue of, the laws of the United States of America or any state thereof, including the following (the "**Collateral**"):

(i) (a) any and all patents and patent applications (whether issued or applied-for in the United States); (b) all inventions and improvements described and claimed therein; (c) all reissues, divisions, continuations, renewals, extensions, and continuations-in-part thereof; (d) all income, royalties, damages, claims, and payments now or hereafter due or payable under and with respect thereto, including, without limitation, damages and payments for past and future infringements thereof; and (e) all rights to sue for past, present, and future infringements thereof ("**Patents**");

(ii) (a) all trademarks (including service marks), trade names, trade dress, and trade styles, whether registered or unregistered in the United States, and the registrations and applications for registration thereof and the goodwill of the business symbolized by the foregoing; (b) all renewals of the foregoing; (c) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements thereof; and (d) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing ("**Trademarks**"); and

(iii) (a) all copyrights, rights and interests in such copyrights, works protectable by copyright, copyright registrations, and applications to register copyright; (b) all renewals of any of the foregoing; (c) all income, royalties, damages, and payments now or hereafter due and/or payable under any of the foregoing, including, without limitation, damages or payments for past or future infringements for any of the foregoing; and (d) the right to sue for past, present, and future infringements of any of the foregoing ("**Copyrights**");

(iv) all registrations and applications for registration for any of the foregoing in the United States Patent and Trademark Office or the United States Copyright Office, as applicable, including, without limitation, the registrations and applications for registration of United States intellectual property set forth in Schedule I hereto (as may be supplemented from time to time), together with all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations thereof;

provided that notwithstanding anything to the contrary contained in the foregoing clauses (i) through (iv), the security interest created hereby shall not extend to, and the term "Collateral" shall not include, any Excluded Assets, including, but not limited to, any intent-to-use trademark applications prior to the filing, and acceptance by the United States Patent and

Trademark Office, of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, if any, to the extent that, and solely during the period in which, the grant of a security interest therein prior to such filing and acceptance would impair the validity or enforceability of such intent-to-use trademark applications or the resulting trademark registrations under applicable federal law.

SECTION 2. Security for Obligations. The grant of a security interest in the Collateral by each Grantor under this IP Security Agreement secures the payment of all Secured Obligations of such Grantor now or hereafter existing, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise.

SECTION 3. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks and any other applicable government officer record this IP Security Agreement.

SECTION 4. Counterparts. This IP Security Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or other electronic imaging (including in .pdf or format) means shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 5. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this IP Security Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 6. Governing Law; Jurisdiction; Etc. (a) This IP Security Agreement shall be construed in accordance with and governed by the law of the State of New York without regard to conflicts of law principles.

(b) Each Grantor and each other party to this IP Security Agreement hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any federal or state court located in the borough of Manhattan in the City of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document (excluding the enforcement of the Security Documents to the extent such security documents expressly provide otherwise), or for recognition or enforcement of any judgment, and each of such parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of such parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

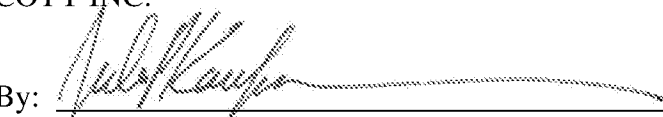

(c) Each Grantor and each other party to this IP Security Agreement hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this IP Security Agreement or any other Loan Document in any court referred to in clause (b) of this Section 6. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each Grantor and each other party to this IP Security Agreement hereto irrevocably consents to service of process in the manner provided for notices in Section 10.01 of the Credit Agreement. Nothing in this IP Security Agreement or any other Loan Document will affect the right of any party to this IP Security Agreement to serve process in any other manner permitted by law.

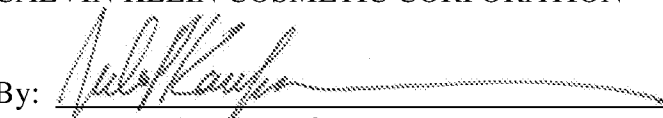

**(e) EACH GRANTOR AND EACH OTHER PARTY TO THIS IP SECURITY AGREEMENT HEREBY EXPRESSLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS IP SECURITY AGREEMENT OR, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THE LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 6(e).**

**IN WITNESS WHEREOF**, each Grantor and the Collateral Agent have caused this IP Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first written above.

Coty Brands Management Inc.	PURITY MADE SIMPLE PURITY IS NATURAL. WE COME INTO THIS WORLD WITH ALL THE RIGHT INSTINCTS. WE ARE INNOCENT, AND THEREFORE PERCEIVE THINGS AS THEY SHOULD BE, RATHER THAN HOW THEY ARE. OUR CONSCIENCE IS CLEAR, OUR HANDS ARE CLEAN, AND THE WORLD AT LARGE IS TRULY BEAUTIFUL. IT IS AT THIS TIME WE FEEL MOST BLESSED. TO BEGIN FEELING YOUNG AGAIN, WE MUST BEGIN WITH THE MOST BASIC STEP OF ALL; THE DAILY RITUAL OF CLEANSING.	3862603	Registered
