Article 4

Declarations and Warranties

4.1. SIX declares and warrants that at the date of this Agreement:

a) the Trademarks are the exclusive property, free of encumbrance and/or attachment and/or liens, of any kind or nature;

b) the Trademarks are valid and have been lawfully used and maintained, in compliance with national and/or international and/or Community law as applicable;

c) there is no cause, nor is there reason to believe there may be cause, to render the Trademarks null and void, or capable of rendering them null and void, invalid or lapsed;

d) except for those specified in the signed letter of intent (licence for the use of trademarks to AXO AMERICA INC.) no sales or licence agreements have been stipulated in relation to the trademarks which provide licencing rights to third parties, in any form;

e) no claims have been made or threatened by third parties, either in or out of Court, nor have any actions been brought or claims made about the validity and/or voidness and/or lapse and/or ineffectiveness of the Trademarks, nor is there reason to believe that any such claims will be made in the future.

4.2. The declarations and warranties set out above in paragraph 1 shall be truthful at the date of signing the Agreement and at the time the Trademarks are subsequently transferred (meaning the date on which the transfer shall

prevail over third parties following transcription in the relevant registries).

4.3. Without prejudice to any liability arising, SIX shall promptly notify FAST BRANDS of any fact and/or event and/or circumstance and/or situation of which it becomes aware (including after the signature of this Agreement) which may render such declarations and warranties untruthful or invalid or which prohibits the free disposal of the Trademarks and/or compromises their value and/or existence and/or validity.

Article 5

Performance, expenses and taxes

5.1. FAST BRANDS shall carry out all the formalities, including transcription into the relevant registries, and bear the costs (taxes and duties) arising, in compliance with national and/or international and/or Community regulations, as applicable, in order to render the transfer of the Trademarks specified in this Agreement valid and effective and to ensure it prevails over third parties.

5.2. Specifically, SIX authorizes FAST BRANDS to carry out all the actions required for the transcription of this Agreement with the

relevant Trademark Offices and shall agree to take whatever action is necessary to ensure the Trademarks are properly transferred. For this purpose, if requested by FAST BRANDS, the Parties shall sign, with the necessary formalities, any ad hoc deeds whose effect and validity shall be limited to the above-mentioned transcription, without amendment or substantive renewal of the contents of this deed.

Article 6

Indemnity, harmlessness and penalty clause

6.1. SIX shall hold FAST BRANDS harmless from any claims brought by third parties for damages of any sort (including consequential loss or damage and loss of profit), any cost, charge, expense (including legal costs incurred by FAST BRANDS), loss, capital loss arising from and/or directly and/or indirectly originating in failure to meet any of its obligations under this Agreement and binding on SIX and/or third parties to whom SIX has explicitly and/or tacitly attributed the faculty to use the Trademarks.

6.2. Specifically, SIX shall hold FAST BRANDS harmless from any claim or legal action brought by third parties in relation to the management and/or use and/or exploitation of the Trademarks.

6.3. Without prejudice to the right to sue for additional damages and to the above, where SIX fails to meet its obligations or where the declarations it makes and warranties it provides pursuant to article 4 above, prove untruthful or invalid, including cases in which this is due to the actions and/or statements of third parties, SIX shall, within 30 calendar days of receipt of the written request, pay FAST BRANDS a penalty of Euro 30,000.00 (thirty thousand).

Article 7

Company names

7.1. FAST BRANDS declares and acknowledges that the transfer of the Trademarks shall not attribute to FAST BRANDS or its assignees until January 1 2015 any rights on the company name AXO SPORT S.p.A. and hence the rights and faculties attributed to AXO SPORT UNDER Article 9.1. below shall remain with the company even after signature of this Agreement and until the time and under the terms specified herein.

Article 8

Advertising

8.1. FAST BRANDS may advertise its products, carrying the Trademarks, by any means it sees fit and for any distribution system.

Article 9

Domain names

The Parties acknowledge that AXO SPORTS S.p.A. has registered and uses on an exclusive basis the domain name comprising the Second Level Domain "AXOSPORT" and/or "AXO", accompanied by the country code Top Level Domain identifying countries such as Italy (.it) and countries other than Italy and thematic Top Level Domains.

9.2. The Parties therefore agree that FAST BRANDS S.R.L. shall have the faculty to register and use on an exclusive basis the Domain name comprising the Second Level Domain "AXO" and/or "AXOSPORT", accompanied by the Country code Top Level Domains considered necessary to carry out their company functions, taking over the rights to the domain names currently held by AXO SPORT in relation to the Second Level Domains "AXO" and "AXOSPORT".

9.3. In addition, FAST BRANDS S.R.L. shall have the faculty - where it shows interest and where registration becomes possible in the future - to register under its name and on an exclusive basis domain names with thematic Top Level Domains other than those that currently exist.

Article 10

Miscellaneous

10.1. Agreement between the Parties

This Agreement is the result of negotiations between the Parties and includes all the agreements reached between them, unless otherwise agreed in writing by the same Parties; it replaces and supersedes all previous agreements. Any amendment to this deed shall be agreed in writing by representatives of the Parties.

The Parties acknowledge that the individual articles of the Agreement have been negotiated by them and hence the measures enshrined in sections 1341 and 1342 of the Italian Civil Code are not applicable.

10.2. Amendments and Interpretation

Any exception or amendment to the Agreement shall be valid and take effect only if in writing and signed by both Parties.

The Agreement shall be interpreted and carried out in good faith, in light of the common intentions of the Parties and the substantive result which, by means of the Agreement, the Parties wish to achieve.

10.3. Continuing validity

Should any single provision of the Agreement be or become invalid or without effect, based on the law or provisions of the public authorities, the validity and effect of the remaining provisions shall not be compromised, unless the Agreement proves unable, as a result of the invalidity and lack of effect of the provision, to achieve the intended result.

Without prejudice to the above, should for any reason any provision of the Agreement become invalid or lose its effect, or be declared invalid or without effect by a public authority, on the basis of the law applicable in the territory, the Parties shall replace provisions that are not valid or have no effect with other provisions with, insofar as it is possible, the same purpose as the provisions that are not valid or are without effect, in compliance with the law.

10.4. Waivers

Should either Party tolerate behaviour that may be construed a failure by the other to meet its obligations under the Agreement, the Party shall not be deemed to have waived its rights under the provisions of the Agreement that have not been complied with and may enforce the Agreement in full.

10.5. Notices

All notices and communications between the Parties scheduled or required under this Agreement, or which become necessary in relation to it, shall be in writing and handed over in person or by registered letter with notification of receipt, sent to the following addresses (or others as specified at a later date in writing):

(I) for "SIX S.R.L." at its registered office in VIA CASTELLANA 90, ISTRANA (TV), in the village of OSPEDALETTO;

(II) FOR "FAST BRANDS S.R.L. at its registered office in Via Enrico Fermi 2, Silea.

All notices shall be deemed delivered as follows: (I) if handed over in person, on the date of the handover, which shall be proven by a signed and dated receipt; (II) if sent by registered letter, on the date of the notification of the receipt or confirmation.

10.6. Applicable Law and Law Court
